9 MS ROWLAND: To move—That this House:

(1) condemns the NSW Government’s decision to slash $1.7 billion worth of funding to the NSW education budget;

(2) acknowledges that these funding cuts will:

(a) have a detrimental impact upon every student in every school—public, catholic and independent;

(4) requests the Australian Climate Commission provide an urgent briefing to the Parliament on the implications of such a rapid and dramatic loss of sea ice in the Arctic.    (a) that the Queensland Government’s proposal to sell the Monte Carlo Caravan Park has been developed in secret, without consultation prior to the last election and with no warning to residents; and
   (b) at the distress this has caused many of the residents, especially elderly residents which make up 38 per cent of the community at Monte Carlo;

(3) questions the economic sense in placing approximately 180 people from 146 sites onto the public housing queue when they are currently perfectly happy in their self-funded homes (500 across the three parks); and

   (b) the MIA:
       (i) was created to control and divert the flow of local river and creek systems for the purpose of food production; and

   (b) families of children with PLD face great uncertainties and vagaries due to the obscure nature of PLD and therefore the difficulty of reaching a diagnosis of their child’s disability;
   (c) children with PLD have the best chance in life if they receive treatment for their condition as early as possible;
   (d) without intervention, there are profound long term implications for affected individuals in terms of gaining an education and employment, leaving them feeling isolated and despondent and at a high risk of developing depressive and anxiety disorders; and
   (e) an April 2012 report by the Australian Institute of Criminology highlights the high incidence (50 per cent) of oral language dysfunction in youth offenders;

(2) recognises that:

(3) calls on the Government to consider PLD as part of a review of the Better Start for Children with Disability Program. (Notice given 29 October 2012. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays including 11 February 2013.)

(4) notes media reports that the Taliban have openly claimed responsibility for this despicable attack on Ms Yousafzai and have threatened to try again to assassinate her at the first available opportunity; and
wishes Ms Yousafzai a speedy and complete recovery from her injuries. (Notice given 30 October 2012. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays including 11 February 2013.)

   (c) Iran’s potential acquisition of nuclear weapons poses a serious threat to the Middle Eastern region, and especially to Israel, and could lead to nuclear proliferation; and
   (d) the Government’s decision in sending two senior officials to the Non-Aligned Movement (NAM) in Iran in August has potentially undermined efforts to isolate the nation, with Iran’s Supreme Leader viewing the participation of nations from around the world at the NAM in Iran as affirmation of sanction failure and as a level of endorsement for Iran; and

3. calls for the:
   (a) release of political prisoners in Iran in order to take a step towards the nation conducting legitimate elections, and as an attempt to begin to resolve some of Iran’s human rights issues; and

(2) recognises that:
   (a) the Victorian Government has proposed the development of an ‘East West Link’ which would provide an alternate route across the city by connecting the Eastern Freeway with the Western Ring Road;

       (iii) enhance Victoria’s competitive advantage globally, improving the key industry centres and supporting the knowledge precinct in Carlton and Parkville;
       (iv) complete missing links between freeways to alleviate congestion and ensure travel time reliability for families and freight; and
       (v) reduce travel times, particularly for residents in Melbourne’s east and west who travel to Melbourne to work; and
   (c) the Federal Coalition has committed $1.5 billion towards the construction of the East West Link; and

(a) the inaugural international parliamentary conference on ‘Parliaments, minorities and Indigenous peoples: effective participation in politics’ was held in Tuxtla Gutierrez, Chiapas, Mexico from 31 October to 3 November 2010;

(b) the conference was organised jointly by the Inter-Parliamentary Union (IPU), the Mexican Congress of the Union and Government of the State of Chiapas, in partnership with the United Nations Development Program, the United Nations Office of the High Commissioner for Human Rights, the United Nations Independent Expert on minority issues and the Minority Rights Group International;

(c) the conference heard that many situations around the world demonstrate that an adequate representation of minorities and Indigenous peoples in policy and decision-making is instrumental in breaking the cycle of discrimination and exclusion suffered by members of these groups, and their ensuing disproportionate levels of poverty and related impediments to the full enjoyment of many civil, cultural, economic, political and social rights, and yet, minorities and Indigenous peoples often remain excluded from effective participation in decision-making, including at the level of the national parliament;

(d) the conference adopted the Chiapas Declaration, which urges every parliament, within the next two years, to inter alia, hold a special debate on the situation of minorities and Indigenous peoples in their country, recognise the diversity in society, and adopt a ‘plan of action’ to make the right to equal participation and non-discrimination a reality;

(e) the Chiapas Declaration recommended that at a minimum the following elements are contained in the ‘plans of action’:

(i) ensure that the right to free, prior and informed consent is observed in every step leading to the adoption of legislative and administrative measures affecting minorities and Indigenous peoples, and hold government to account for the implementation of such measures;

(ii) require of government that all submissions to parliament of draft legislation and the national budget include an assessment of their impact on minorities and Indigenous peoples;

(iii) make regular use of plenary sessions in parliament and other parliamentary fora to discuss minority/Indigenous matters in order to raise awareness and combat prejudice in society, organise awareness-raising sessions for all parliamentarians so as to increase their knowledge of minorities and Indigenous peoples and the particular problems they face, and ensure that minority and Indigenous issues are mainstreamed into parliamentary work, especially at the committee level;

(iv) allocate sufficient resources to the task of establishing dialogue between minority/Indigenous peoples and public institutions and to parliamentary committees to allow them to carry out effective outreach activities such as public hearings with minority and Indigenous peoples; and

(v) increase parliaments’ familiarity with work being done within the United Nations system so as to equip them better to hold governments to account for their international commitments, including the achievement of the Millennium Development Goals, urge ratification of International Labour Organisation Convention 169 on Indigenous and Tribal Peoples, hold debates in parliament on the conclusions and recommendations made by the United Nations human rights treaty bodies and special mechanisms with regard to minority and Indigenous peoples' rights;
(f) the Chiapas Declaration also affirmed the responsibility of political parties to promote the
effective participation of minorities and Indigenous peoples, and address their concerns in their
party programs; and

(g) the IPU will facilitate networking among parliaments on this issue, monitor the implementation
of the Chiapas Declaration and convene a follow-up meeting within two years to discuss
progress and set targets for future action;

Chiapas Declaration; and

(b) British pensions for expatriates continue to be indexed in numerous other countries including the United States of America and within the European Union, but are frozen in mostly former Commonwealth countries, including Australia, Canada, New Zealand and South Africa; and

(c) the United Kingdom Government’s:

(i) current policy discriminates in its treatment of its expatriate pensioners depending on their country of residence; and

(ii) unfair and discriminatory policy has resulted in the erosion of the purchasing power of British pensions for more than 250,000 British pensioners living in Australia;

(3) acknowledges:

(a) that through the Australian pension system, the Australian Government provides more than $100 million each year to recipients of a British pension living in Australia, which helps supplement the shortfall created by the United Kingdom Government’s frozen pension policy; and

(4) commends the Minister for Families, Community Services and Indigenous Affairs for her continued efforts in raising the issue with the United Kingdom Government, most recently during her meeting with the United Kingdom Secretary of State for Work and Pensions; and

(2) that:

(a) this is a policy that would target only one group of asylum seekers originating from only one particular country;

(c) if enacted, the policy would forcibly return asylum seekers to a country that is not a party to the Refugee Convention. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 7 sitting Mondays including 11 February 2013.)

(c) the full extent of the contribution of Indigenous peoples to past wars and conflicts is a subject that is still being researched today;

(e) it is estimated that at least 400 Aboriginals or Torres Strait Islanders served in the First World War, and between 3,000 and 6,000 in the Second World War, and limited historical records indicate that these figures may have been much higher; and

(f) the maintenance of all war memorials, including those dedicated to the efforts of Indigenous people, should be a national priority.

—And on the amendment moved thereto by Mr Coulton, viz.—Paragraph 2(e) omit “400” and substitute “1,000” and omit “between 3,000 and 6,000” and substitute “at least 3,000”. (b) that polio eradication should, wherever possible, be part of routine immunisation efforts to improve population immunity for all priority, vaccine preventable childhood illnesses;

   (a) the democratically essential concept of an independent news media not does equate to the unrestricted right of specific media owners, or the industry in general, to manage their businesses without a social licence to operate;
