†1 HUMAN RIGHTS IN VIETNAM: Resumption of debate (from 17 June 2013) on the motion of Mr Hayes—That this House:

(1) notes that:

(a) on 16 May 2013 two young activists, Nguyen Phuong Uyen, age 21, and Dinh Nguyen Kha, age 25, were sentenced to six and eight years, respectively, in jail by the People’s Court of Long An province in the Socialist Republic of Vietnam;

(b) the two activists were arrested for distributing literature protesting against China’s claims to the Paracel and Spratly Islands in the South China Sea; and

(c) there are credible reports from various international agencies of continuing human rights violations in Vietnam which is evidenced by the high number of house detentions and imprisonment for people engaged in activities as basic as expressing views contrary to the Vietnamese Government’s position; and

(2) calls on the Australian Government to:

(a) refer the matters of Nguyen Phuong Uyen and Dinh Nguyen Kha, and other issues concerning human rights in Vietnam that have been raised in the Australian Parliament, to the next round of the Australia-Vietnam Human Rights Dialogue; and

(b) continue to take appropriate steps to convey to the Vietnamese Government that Australia expects Vietnam to honour its obligations under the International Covenant on Civil and Political Rights. (Time allowed—5 minutes.)

†2 MR ZAPPIA: To move—That this House:

(1) notes with concern the lifting of restrictions, by State governments, on activities that present biodiversity and environmental risks to designated conservation parks within their care and control;

(2) recognises the importance of conservation parks in protecting natural environmental assets, creating biodiversity corridors and refuges for threatened flora and fauna; and

(3) calls on the Government to consider measures that can be implemented to protect national parks from activities such as land clearing, mining, grazing and hunting. (Notice given 17 June 2013. Time allowed—50 minutes.)

Notices—continued

1 MR GEORGANAS: To move—That this House:
   (1) congratulates the 2012 Australian Paralympic Team for its success at the London Paralympics;
   (2) recognises the:
      (a) achievements of the 161 Australian athletes who competed in the games, including their efforts
          in winning 32 gold medals, 23 silver medals and 30 bronze medals; and
      (b) success of the Paralympic movement over six decades in fostering a unique spirit of competition
          and friendship among people with disability; and
   (3) commends our Paralympians for being fantastic ambassadors for Australia, and for inspiring another
       generation of Australians with disability to reach their full potential. (Notice given 13 September
       2012. Notice will be removed from the Notice Paper unless called on on 24 June 2013.)

2 MS ROWLAND: To move—That this House:
   (1) condemns the NSW Government’s decision to slash $1.7 billion worth of funding to the NSW
       education budget;
   (2) acknowledges that these funding cuts will:
      (a) have a detrimental impact upon every student in every school—public, catholic and
          independent;
      (b) lead to an increase in TAFE fees;
      (c) make it more difficult to access vocational education opportunities;
      (d) lead to up to 2,000 job losses in the sector; and
      (e) be particularly damaging in areas of high growth, such as Western Sydney, where educational
          outcomes have long lagged behind other regions in the nation; and
   (3) rejects the Opposition’s policy position of proposing $2.8 billion in cuts to education programs.
       (Notice given 17 September 2012. Notice will be removed from the Notice Paper unless called on on
       24 June 2013.)

3 MR BANDT: To move—That this House:
   (1) notes the recent rapid melting of the Arctic sea ice, including a reduction in the sea ice:
      (a) area in September to less than 4 million square kilometres, half the average minimum summer
          extent of the 1980s; and
      (b) volume to one-quarter of the volume of 20 years ago;
   (2) acknowledges that this unprecedented melting suggests predictions of an ice free Arctic by the middle
       of the century are too conservative;
   (3) recognises that the loss of the Arctic sea ice will have dramatic consequences for our global climate
       including accelerated global warming; and
   (4) requests the Australian Climate Commission provide an urgent briefing to the Parliament on the
       implications of such a rapid and dramatic loss of sea ice in the Arctic. (Notice given 19 September
       2012. Notice will be removed from the Notice Paper unless called on on 24 June 2013.)

4 MR RUDD: To move—That this House:
   (1) notes that the Monte Carlo Caravan Park has existed since 1947 and was purchased by the Labor
       Government in 1991 by Terry Mackenroth and Tom Burns to ensure that low cost housing was
       available;
   (2) expresses concern:
      (a) that the Queensland Government’s proposal to sell the Monte Carlo Caravan Park has been
          developed in secret, without consultation prior to the last election and with no warning to
          residents; and
      (b) at the distress this has caused many of the residents, especially elderly residents which make up
          38 per cent of the community at Monte Carlo;
questions the economic sense in placing approximately 180 people from 146 sites onto the public housing queue when they are currently perfectly happy in their self-funded homes (500 across the three parks); and

calls upon the Queensland Government to abandon its plans to sell the Monte Carlo Caravan Park and push approximately 180 people onto the streets. (Notice given 19 September 2012. Notice will be removed from the Notice Paper unless called on on 24 June 2013.)

(b) marked the beginning of Eid al-Adha, or the Festival of Sacrifice, commemorating Ibrahim’s (Abraham’s) willingness to sacrifice his son to God;

(2) for Muslims, Eid al-Adha is a time of peace, respect, sharing, caring and donating to those in need and is particularly special for Muslim children as it involves the exchanging of gifts and getting together with family; and

(3) this significant time coincides with the annual Hajj pilgrimage to Mecca in Saudi Arabia, and for all of our Australian Muslim friends who are travelling to Mecca, we wish you a safe trip on your way to, and home from, your spiritual journey. (i) the House of Representatives Standing Committee on Legal and Constitutional Affairs report Half Way to Equal: the report of the inquiry into equal opportunity and equal status for women in Australia (1992) recommends the establishment of a ‘National Women’s Place’ recognising women’s history and contribution; and

(j) in August 2012 the NSW Government announced the development of a master plan for the Parramatta Heritage Precinct and proposed a public/private enterprise to enable the ‘adaptive reuse’ of the heritage sites for commercial and residential purposes, posing a threat to its heritage values; and

(2) calls on the Australian Government to:

(a) seek the NSW Government’s support to have the Parramatta Female Factory and the Girl’s Industrial School placed on the 2013-14 Final Priority Assessment List for national heritage listing; and

(b) support the recommendations of the Forgotten Australians report, including to create a memorial garden, plaque and a heritage centre at the precinct using the buildings and grounds of the former Parramatta Girls Home as one of the projects to be priorities after a future successful national heritage listing. (3) recognises that linguistic diversity is a key element of cultural diversity and that recognition of this diversity is a step towards greater intercultural understanding and harmony;

(4) acknowledges the special significance International Mother Language Day has for the Bengali community in Australia, commemorating the day in 1952 when Bengalis lost their lives while peacefully protesting the right to speak their mother language; and

      (c) in the 2012 budget, the Government allocated $2.2 million per annum for four years to support community digital radio services but this is a shortfall of $1.4 million per year for the minimum level of funding required to maintain transmission of all current services; and

†1 DR WASHER: To move—That this House:

(1) recognises the significant hazard to healthcare workers through needlestick, scalpell and other sharps injuries, with estimates of up to 18,000 healthcare employees suffering injuries each year;

(2) notes that these injuries present a serious health and safety risk, exposing healthcare workers to dangerous blood-borne pathogens including the Hepatitis B Virus, Hepatitis C Virus and Human Immunodeficiency Virus;
(3) is:
(a) concerned that approximately 50 per cent of needlestick, scalpel and other sharps injuries are not reported, with rates of under-reporting ranging from 40 per cent to 80 per cent; and
(b) aware that 1 in 9 nurses suffered at least one needlestick, scalpel or other sharps injury in the past 12 months;
(4) acknowledges that preventative measures can be taken to reduce injury, including the use of safety engineered medical devices which, when combined with relevant education and training, reduces the incidence of sharps injuries;
(5) notes that Australia lags behind other western countries that have mandated measures to reduce sharps injuries, such as:
(a) the United States, that signed into law more than a decade ago the Needlestick Safety and Prevention Act of 2000, 106 USC 430 (2000);
(b) Canada, where 6 out of 10 provinces have Occupational Health and Safety Regulations mandating the use of safety engineered medical devices;
(c) the United Kingdom, where the Health and Safety Executive has introduced the Health and Safety (Sharp Instruments) Regulations 2013; and
(d) the European Union, that introduced Council Directive 2010/32/EU three years ago to ‘prevent blood borne infections to hospital and healthcare workers from sharp instruments’; and
(6) calls on the Government to immediately improve healthcare worker safety by bringing Australia into line with the abovementioned countries. (Notice given 29 May 2013. Time allowed—90 minutes.)

†2 MR S. P. JONES: To move—That this House notes that:
(1) Australia has an abundance of natural gas reserves, with gas production projected to quadruple from 2095 petajoules in 2010 to over 8,000 petajoules in 2034-35;
(2) the export of natural gas is booming, projected to triple from 20 million tonnes in 2010-11 to over 63 million tonnes by 2017;
(3) at the same time Australia’s primary energy consumption of gas is expected to increase from 22 per cent in 2008-09 to 35 per cent in 2034-35, which is consistent with Government policy to shift households and businesses to more efficient and less carbon intensive energy sources;
(4) in Australia, manufacturing, mining and electricity generation are the largest consumers of gas, consuming 84 per cent;
(5) driven by near-term infrastructure and supply constraints, Australia is facing a price squeeze on gas at the same time as many large contracts for gas supply expire from 2014;
(6) Australian manufacturing and domestic suppliers are therefore heavily exposed to rising prices and access to contracts for supply of gas at competitive pricing;
(7) in North America, governments have adopted the strategy of giving priority to domestic supply at affordable prices over other uses as a means of reinvigorating their manufacturing sector, which has led to the establishment of new businesses in the United States and the creation of over 500,000 new manufacturing jobs; and
(8) steps must be taken to ensure that affordable and reliable gas is available for manufacturing and households and that the Government must bring forward policy to achieve this. (Notice given 18 June 2013. Time allowed—30 minutes.)

†3 MR SLIPPER: To move—That this House:
(1) calls on the Government to reverse its disappointing and retrograde decision announced in the Budget to close the Australian Embassy in Hungary, based in Budapest; and
(2) acknowledges the:
(a) close relationship that exists between our two countries, including our shared democratic values which see us cooperate in numerous international fora as demonstrated by our mutual support for each other’s candidature for non-permanent seats on the United Nations Security Council, our joint support for peace building efforts of the international community, particularly in Afghanistan, and our mutual cooperation in difficult times, for example, Hungary’s consular assistance for Australian citizens in Syria;
(b) important interdependence of Hungary and Australia in providing a bridge for Australia into central Europe and Australia’s reciprocal role in providing access for Hungary in the Asia Pacific region, and that this growing bilateral relationship will further boost economic ties and trade particularly Australian investments in the Hungarian energy sector;

(c) close people-to-people links which see up to 250,000 Australians of Hungarian origin making an important contribution both economically and culturally to the relationship between the two countries and assisting to promote the close friendship among Australia, Hungary and other countries of central Europe; and

(d) fact that in addition to the Hungarian Embassy in Canberra, Hungary has recently opened a consulate in Melbourne to contribute further to the growing strength of the bilateral relationship. (Notice given 4 June 2013. Time allowed—20 minutes.)

15 PROPOSED EAST WEST LINK IN MELBOURNE: Resumption of debate (from 27 May 2013) on the motion of Mr Tudge—That this House:

(1) notes that:
   a) Melbourne is suffering from a traffic congestion problem across the city and particularly on the Eastern Freeway and the Monash-CityLink-West Gate corridor;
   b) without better infrastructure, this problem will worsen as Melbourne is experiencing the largest growth of all capital cities;
   c) by 2020 it is estimated by the Bureau of Transport and Regional Economics that the cost of traffic congestion in Melbourne will be $6.1 billion, double what it is today; and
   d) as well as being an economic cost, congestion impacts on quality of life including time spent with family;

(2) recognises that:
   a) the Victorian Government has proposed the development of an East West Link which would provide an alternate route across the city by connecting the Eastern Freeway with the Western Ring Road;
   b) this East West Link would have significant benefits for Melbourne and Australia, as it would:
      i) relieve bottle necks on the Eastern, Monash and West Gate Freeways and provide an alternative to the West Gate Bridge;
      ii) improve freight efficiency by catering for growth at the ports of Melbourne and Hastings and increasing productivity by improving travel time reliability for freight;
      iii) enhance Victoria’s competitive advantage globally, improving the key industry centres and supporting the knowledge precinct in Carlton and Parkville;
      iv) complete missing links between freeways to alleviate congestion and ensure travel time reliability for families and freight; and
      v) reduce travel times, particularly for residents in Melbourne’s east and west who travel to Melbourne to work; and
   c) the Federal Coalition has committed $1.5 billion towards the construction of the East West Link; and

(3) calls on the Australian Government to match the commitment of the Federal Coalition towards the construction of the East West Link as a vital piece of economic infrastructure for Melbourne.

—And on the amendment moved thereto by Mr Marles, viz.—That the motion be amended to read—That this House:

(1) notes that:
   a) Melbourne is suffering from a traffic congestion problem across the city which needs to be addressed in a balanced way;
   b) without better infrastructure, this problem will worsen as Melbourne is experiencing the largest growth of all capital cities;
   c) by 2020 it is estimated by the Bureau of Transport and Regional Economics that the cost of traffic congestion in Melbourne will be $6.1 billion, double what it is today; and
   d) as well as being an economic cost, congestion impacts on quality of life including time spent with family;

(2) recognises that:
   a) Infrastructure Australia has been established to ensure a proper process around federal infrastructure investment;
   b) Infrastructure Australia has identified the Melbourne Metro as ready to proceed and that it is a project of national significance; and
(c) the Melbourne Metro will help reduce congestion by taking cars off roads and allow the Melbourne rail network to grow; and

(3) notes that the Victorian Government needs to submit its business case for the East West tunnel to Infrastructure Australia to get it assessed and considered for funding. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 6 sitting Mondays including 24 June 2013. On 29 May 2013, the Selection Committee recommended that this order of the day be voted on.)

17 PUBLIC TRANSPORT IN SOUTH EAST QUEENSLAND: Resumption of debate (from 27 May 2013) on the motion of Mr Perrett—That this House:

(1) opposes the Queensland Government’s plans to cut local bus services in South East Queensland;

(2) notes that these cuts will:

(a) affect many vulnerable residents that can least afford it—seniors, pensioners, part-time working mums and dads and students; and

(b) have broader consequences, such as:

(i) negatively impacting on timetables for remaining services;

(ii) reducing access to Park’n’Rides and connecting train services; and

(iii) increasing the number of vehicles using on-street parking, clogging residential streets and putting more cars on local roads;

(3) strongly supports better public transport in Queensland;

(4) notes the:

(a) changes are geared towards cutting ‘community’ bus services and moving towards a more profitable commuter service;

(b) changes will create confusion and significantly increase travel time for commuters, and will be a backward step towards improving South East Queensland’s public transport network; and

(c) Queensland Government’s privatisation plans regarding other state-owned assets and government services, and condemns any move to sell-out Queensland’s public transport network;

(5) calls on the Queensland Government to rule out these cuts to South East Queensland’s public transport system; and

(6) notes:

(a) the Coalition’s failure to condemn these cuts despite the Federal Leader of the Opposition and Federal Shadow Treasurer recently making flying stops to Queensland;

(b) that the Leader of the Opposition of the Brisbane City Council, the largest public transport bus provider area in Queensland, moved a motion calling on the Council to support residents who oppose these bus cuts and to reject the Queensland Government’s planned bus route cuts; and

(c) the Brisbane City Council rejected the Queensland Government’s planned local bus route cuts. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 6 sitting Mondays including 24 June 2013.)

18 HUMAN RIGHTS IN BANGLADESH: Resumption of debate (from 18 March 2013) on the motion of Mr Husic—That this House:

(1) notes the tremendous contributions of Australia’s Bangladeshi community;

(2) shows concern at reports of human rights violations in Bangladesh, and claims that political activists and journalists are being targeted for persecution, abuse and physical violence; and

(3) encourages the Australian Government to engage with the Bangladeshi Government to progress democratic reform within that country. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)

19 MIGRATION AMENDMENT (REINSTATEMENT OF TEMPORARY PROTECTION VISAS) BILL 2013 (Mr Morrison): Second reading—Resumption of debate (from 18 March 2013). (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)
20 HUMAN RIGHTS IN VIETNAM: Resumption of debate (from 18 March 2013) on the motion of Mr Hayes—That this House:

(1) notes that:

(a) there are reports of human rights violations in the Socialist Republic of Vietnam (SRV) including evidence of continued house detention and imprisonment of notable human rights activists including the Nobel Peace Prize nominee the Most Venerable Thich Quang Do, Patriarch of the Unified Buddhist Church of Vietnam Reverend Nguyen Van Ly, from the Vietnamese Catholic Church Dr Nguyen Dan Que, Jurist Dr Cu Huy Ha Vu, and a popular young peace songwriter Vo Minh Tri (known as Viet Khang);
(b) the Vietnam Government’s treatment of human rights activists, including the recent trial and conviction of 14 human rights activists in January 2013, appears to be inconsistent with Vietnam’s obligations under the International Covenant on Civil and Political Rights, as well as the provisions of the Universal Declaration of Human Rights relating to freedom of expression and due process;
(c) trade union organisers Doan Huy Chuong, Do Thi Minh Hanh and Nguyen Hoang Quoc Hung have spent more than two and a half years in custody convicted for ‘national security’ charges which emanated from their involvement in organising workers at a shoe factory;
(d) despite the SRV being a signatory to the International Covenant on Civil and Political Rights, human rights activists say that they are often denied a fair trial and prevented from defending themselves or calling upon witnesses for their defence; and
(e) on 10 December 2012, a petition was handed to the Australian Government as part of the Million Hearts, One Voice Campaign, containing more than 15,000 signatures from local Vietnamese communities in Australia, and more than 135,000 signatures worldwide, drawing attention to the ongoing human rights violations in Vietnam; and

(2) calls on the Australian Government to:

(a) take all appropriate steps to convey to the Vietnamese Government that Australia expects Vietnam to honour the undertakings it freely entered into when it became a member of the United Nations and a signatory to the International Covenant on Civil and Political Rights;
(b) continue Australia’s engagement in bilateral and multilateral contexts with Vietnam on human rights; and
(c) ensure that the matters contained in this motion are brought to the attention of the 2013 Australia Vietnamese Human Rights dialogue. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)

21 SELF-MANAGED SUPERANNUATION: Resumption of debate (from 18 March 2013) on the motion of Mr S. P. Jones—That this House:

(1) notes:

(a) the growth of self-managed superannuation schemes investment structures by Australians seeking to grow their retirement savings;
(b) that there is $1.4 trillion in Australian superannuation assets;
(c) self-managed superannuation funds are the largest single sector in superannuation; and
(d) the severe hardship caused to investors in Trio Capital, which collapsed as a result of fraudulent activity and which was the largest superannuation fraud in Australian history, with around $176 million lost or missing;

(2) acknowledges that while investors in the Australian Prudential Regulation Authority (APRA) regulated superannuation funds were eligible for compensation through a member-funded levy under Part 23 of the Superannuation Industry (Supervision) Act 1993, no such member-funded compensation scheme exists for investors in self-managed superannuation schemes;

(3) notes the legal and resource limitations regarding supervision and detection of fraud by government regulators and prosecutors such as the APRA, Australian Securities and Investments Commission and Australian Federal Police in respect of failed offshore financial investment vehicles; and

(4) calls on the:

(a) self-managed superannuation sector and policy makers to work together to achieve consensus on the establishment of a member-funded compensation scheme for self-managed superannuation scheme investors who have been subject to fraud; and
(b) Government to work with regulators to enhance fraud detection and prevention in the superannuation system. *(Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)*

22 **TAX REFORM:** Resumption of debate *(from 18 March 2013)* on the motion of Mr Oakeshott—That this House:

1. recognises the need for comprehensive tax reform to maximise the standard of living for Australians for the next 50 years; and

2. encourages the Treasurer to:
   a. release a 10 year road-map for comprehensive tax reform as a standalone Budget Paper as part of the 2013-14 Budget, and
   b. include reform for consideration beyond the 4 year forward estimates period. *(Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)*

23 **COSTED POLICIES:** Resumption of debate *(from 18 March 2013)* on the motion of Dr Leigh—That this House:

1. notes that:
   a. a bipartisan parliamentary report recommended the creation of the Parliamentary Budget Office, which is now operational having passed Parliament;
   b. the Australian people deserve a proper policy debate in 2013, with all parties presenting properly costed policies; and
   c. the updated information contained in the Pre-election Economic and Fiscal Outlook will not affect the cost of most policies, and therefore release of fully costed policies should not be delayed until then; and

2. calls on all parties to have their policies costed consistent with the Charter of Budget Honesty, and release them to the Australian people in enough time to have a well-informed debate. *(Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 5 sitting Mondays including 24 June 2013.)*

24 **SCHOOL EDUCATION:** Resumption of debate *(from 11 February 2013)* on the motion of Ms Rishworth—That this House:

1. acknowledges the important work done by Mr David Gonski AC in conducting the first review into school funding and school education in almost 40 years;

2. recognises the transformative power of education and the importance of ensuring that we have a school system that provides all Australian children with a real chance to reach their full potential;

3. supports the principles emerging from this review which have been incorporated into the Government’s National Plan for School Improvement, including the need to deliver:
   a. a fairer school funding system based on the needs of every student in every classroom;
   b. more support for schools and students who need it most;
   c. quality teaching in every classroom;
   d. more power in the hands of school principals; and
   e. more information about school performance for parents and the community; and

4. recognises that the National Plan for School Improvement will build on the reforms the Government has already delivered to ensure every Australian school is a great school, including:
   a. the construction of new and upgraded facilities at around 9500 schools;
   b. delivering record funding to support students with disability; and
   c. working with States and Territories to deliver a national curriculum. *(Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 4 sitting Mondays including 24 June 2013.)*

25 **IRAN:** Resumption of debate *(from 11 February 2013)* on the motion of Mr Simpkins—That this House:

1. notes that:
   a. the Islamic Republic of Iran will conduct Presidential elections on June 14 (Khordad 24 on the Iranian calendar) of 2013;
(b) within Iran, political activists, journalist, and political opposition leaders are imprisoned, and
often tortured, for attempting to express their freedom of speech, political and media freedom,
and for attempting to hold their government accountable for its actions; and
(c) Iran continues to refuse international inspectors free and unfettered access to its nuclear program
and this raises suspicions that it is seeking to develop nuclear weapons;

(2) recognises that:
(a) the upcoming Iranian elections will see Mahmoud Ahmadinejad replaced as President by
another Supreme Leader endorsed candidate;
(b) political prisoners being held in violation of human rights must be released as a first step
towards holding free and fair elections;
(c) Iran’s potential acquisition of nuclear weapons poses a serious threat to the Middle Eastern
region, and especially to Israel, and could lead to nuclear proliferation; and
(d) the Government’s decision in sending two senior officials to the Non-Aligned Movement
(NAM) in Iran in August has potentially undermined efforts to isolate the nation, with Iran’s
Supreme Leader viewing the participation of nations from around the world at the NAM in Iran
as affirmation of sanction failure and as a level of endorsement for Iran; and

(3) calls for the:
(a) release of political prisoners in Iran in order to take a step towards the nation conducting
legitimate elections, and as an attempt to begin to resolve some of Iran’s human rights issues;
and
(b) taking of all possible steps to increase sanctions and isolate the regime and pressure it to allow
free and unfettered access to International Atomic Energy Agency inspectors. (Order of the day
will be removed from the Notice Paper unless re-accorded priority on any of the next 4 sitting
Mondays including 24 June 2013. On 14 February 2013, the Selection Committee recommended
that this order of the day be voted on.)

26 **CHARCOT-MARIE-TOOTH DISEASE:** Resumption of debate (from 26 November 2012) on the motion of
Mr S. P. Jones—That this House:

(1) notes that:
(a) Charcot-Marie-Tooth disease (CMT) is the most common form of inherited motor and sensory
neuropathy;
(b) there is no cure for CMT and while most sufferers live a normal lifespan, many do so with
severe disabilities;
(c) estimates are that around one in every 2,500 Australians is affected by CMT;
(d) while CMT is more common than diseases such as Muscular Dystrophy, there is a low level of
community awareness of CMT, particularly amongst Indigenous Australians;
(e) genetic counselling and pre-implantation genetic diagnosis means that those carrying the CMT
gene can now conceive without the 50 per cent risk of passing CMT to their offspring; and
(f) despite the advances, detection and genetic counselling, low awareness and detection of CMT
means that this disease is still spreading to future generations, when it could be stopped;

(2) notes the need for more investment for research into the cause, care and cure of CMT; and

(3) as a first step, calls on the Government to provide funding for projects which will lead to the
eradication of CMT. (Order of the day will be removed from the Notice Paper unless re-accorded
priority on any of the next 3 sitting Mondays including 24 June 2013.)

27 **WHITE RIBBON DAY:** Resumption of debate (from 26 November 2012) on the motion of Mr Hayes—
That this House:

(1) notes that:
(a) 25 November is observed as White Ribbon Day, a day aimed at preventing violence against
women through a nation-wide campaign to raise public awareness of the issue; and
(b) the current statistics indicate that one in three women will experience physical violence and one
in five will experience sexual violence over their lifetime;

(2) encourages:
(a) all Australian men to challenge the attitudes and behaviours that allow violence to continue, by
joining the ‘My Oath Campaign’ and taking the oath: ‘I swear never to commit, excuse or
remain silent about violence against women’; and
(b) Members to show their support for the principals of the White Ribbon Day by taking the oath and wearing a white ribbon or wristband on the day; and

(3) acknowledges the high economic cost of violence against women and their children, estimated to be $13.6 billion in 2008-09 and, should no action be taken, the cost will be an estimated $14.6 billion in 2021-22. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays including 24 June 2013.)

      (i) was a key moment in Australian democracy;
      (ii) called for basic democratic rights, including broadening the franchise and removing the property qualification to stand for the Legislative Council;
      (iii) inspired subsequent movements in Australian history, including female suffrage and the Australian Republican Movement; and
      (iv) demanded changes to make mining taxation more equitable, with the revenue to be spent on improvements to local infrastructure; and
   (b) the importance of the Battle of Eureka is to be commemorated by the Museum of Australian Democracy at Eureka in Ballarat, partly funded by the Australian Government in recognition of its national significance; and

(2) encourages all Australians to remember and respect the Battle of Eureka by:
   (a) visiting the Museum of Australian Democracy at Eureka to learn about the history of the Battle of Eureka and its effect on modern democracy; and
   (b) flying the Eureka Flag on 3 December each year in its memory. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays including 24 June 2013.)

(1) opposes the Queensland Government’s gutting of Sunfish and major recreational fishing programs;

(2) notes the continued efforts by the Liberal National Party (LNP) in Queensland and nationally to undermine recreational fishing by redefining, then cutting frontline services;

(3) notes that:
   (a) before the Queensland election, Premier Newman said the public service had ‘nothing to fear’ from a new LNP government; and
   (b) Federal Minister Ludwig has written on behalf of Sunfish Queensland to his counterpart, requesting urgent advice on the destructive cuts;

(4) strongly supports recreational fishers;

(5) calls on the Queensland Government to restore funding as a matter of urgency; and

(6) notes the Federal Coalition’s failure to act despite the Leader of the Opposition being fully briefed on the Queensland Government’s budget cuts before they were announced. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 3 sitting Mondays including 24 June 2013.)

(1) notes the significant impact of the United Kingdom Government’s refusal to index pensions allocated to British expatriates living in Australia under the United Kingdom’s National Insurance Fund;

(2) recognises that:
   (a) affected British pensioners have made contributions to this scheme;
   (b) British pensions for expatriates continue to be indexed in numerous other countries including the United States of America and within the European Union, but are frozen in mostly former Commonwealth countries, including Australia, Canada, New Zealand and South Africa; and
   (c) the United Kingdom Government’s:
(i) current policy discriminates in its treatment of its expatriate pensioners depending on their country of residence; and
(ii) unfair and discriminatory policy has resulted in the erosion of the purchasing power of British pensions for more than 250,000 British pensioners living in Australia;

(3) acknowledges:
(a) that through the Australian pension system, the Australian Government provides more than $100 million each year to recipients of a British pension living in Australia, which helps supplement the shortfall created by the United Kingdom Government’s frozen pension policy; and
(b) the ongoing efforts of the Australian Government in making repeated representations to the United Kingdom Government, calling on it to address the issue of frozen pensions for British expatriates living in Australia;

(4) commends the Minister for Families, Community Services and Indigenous Affairs for her continued efforts in raising the issue with the United Kingdom Government, most recently during her meeting with the United Kingdom Secretary of State for Work and Pensions; and

(5) calls on the United Kingdom Government to treat recipients of a British pension equitably by fairly indexing entitlements regardless of where they choose to retire, so that British pensioners can receive the full benefits they deserve. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 2 sitting Mondays including 24 June 2013.)

31 SRI LANKAN ASYLUM SEEKERS: Resumption of debate (from 29 October 2012) on the motion of Mr Husic—That this House:
(1) with deep concern, proposals being advanced to automatically return any Sri Lankan national seeking asylum in Australia; and
(2) that:
(a) this is a policy that would target only one group of asylum seekers originating from only one particular country;
(b) the automatic return of Sri Lankan nationals without the processing of their claims for asylum fails to comply with the Refugee Convention; and
(c) if enacted, the policy would forcibly return asylum seekers to a country that is not a party to the Refugee Convention. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 2 sitting Mondays including 24 June 2013.)

(4) notes that the International Criminal Court has issued a warrant for the arrest of Sudan’s President, Omar Hassan al-Bashir, on five counts of crimes against humanity (murder, extermination, forcible transfer, torture and rape), two counts of war crimes (attacking civilians and pillaging), and three counts of genocide; and
(5) acknowledges the:
(a) contribution of the Sudanese and South Sudanese Diaspora in Australia to our economic and cultural diversity; and
