(b) compel the Government to adhere to the timetable proposed by the former Government for the increase in the Superannuation Guarantee. (Notice given 13 November 2013. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays including 9 December 2013.)

   c. whether the relationship between the agencies is such that the Australian community can have the highest confidence that any claims of serious fraud are being properly investigated and any breaches properly prosecuted;

   e. recommendations regarding future actions that should be taken by government and agencies; and
   f. any related matters; and
3. to report to the Prime Minister by 30 September 2014, with a copy of the report to be tabled in the House of Representatives at the earliest possible opportunity thereafter. DR LEIGH: To move—That this House:

1. notes that:
   a. prior to the 1999 referendum to alter the Constitution to establish the Commonwealth of Australia as a republic, many opponents (including monarchists and direct electionists) fomented the expectation that if the vote were defeated, another referendum would be put within a few years;
   b. 14 years on, public support for Australia becoming a republic remains solid; and
   c. Australian engagement with Asia has strengthened, with the former Government’s White Paper on Australia in the Asian Century reminding us that our future lies in our region; and

   (2) calls on all Australian men to take the following oath: I swear never to commit, excuse or remain silent about violence against women. *(Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 7 sitting Mondays including 9 December 2013.)*

(3) this urban transport task is a joint Australian and state government responsibility;

(4) recognising this, Labor in government invested $13 billion—more Commonwealth funding for public transport than all other governments since Federation—and this investment in urban transport projects, put forward and assessed through Infrastructure Australia, resulted in a significant boost to the strategic development of Australia’s public transport network; and

(b) restore next day delivery services from regional centres; and
(c) ensure the security of jobs and safe working conditions for regional postal workers. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 8 sitting Mondays including 9 December 2013.)

2 HUMAN RIGHTS IN VIETNAM: Resumption of debate (from 2 December 2013) on the motion of Mr Hayes—That this House:

(1) notes that:

(a) 10 December is International Human Rights Day and also marks the 20th anniversary of the establishment of the High Commissioner for Human Rights;
(b) on 12 November 2013, the Socialist Republic of Vietnam gained a seat on the United Nations Human Rights Council and also signed the United Nations Convention Against Torture; and
(c) despite Vietnam being a signatory to the International Covenant on Civil and Political Rights, there remains a concerning number of human rights violations in that country including the:
   (i) treatment of 14 Vietnamese Catholics who were arrested and sentenced to four to eight years imprisonment in January 2013 for protesting in support of land rights, freedom of religion and the release of previously convicted activists;
   (ii) arrest in October 2012 of Nguyen Phuong Uyen and Dinh Nguyen Kha, charged under Article 88 of the Vietnamese Penal Code for distributing leaflets protesting against China’s claims to the Paracel and Spratly islands in the South China Sea; and
   (iii) seven year imprisonment of trade union organiser Do Thi Minh Hanh, for national security charges relating to her involvement in organising workers at a shoes factory in October 2010; and

(2) calls on the Australian Government to:

(a) take all appropriate steps to encourage the Vietnamese Government to honour its obligations as a signatory to the International Covenant on Civil and Political Rights;
(b) consider issues of human rights in Vietnam when assigning funding under Australia’s overseas development aid program; and
(c) continue Australia’s engagement in bilateral and multilateral contexts with Vietnam on human rights. (Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 8 sitting Mondays including 9 December 2013.)

3 WORLD AIDS DAY: Resumption of debate (from 2 December 2013) on the motion of Ms O’Dwyer—That this House:

(1) notes that 1 December 2013 is World AIDS Day;
(2) recognises that:

(a) more than 35 million people now live with HIV/AIDS worldwide, and almost 10 per cent of these are under the age of 15;
(b) every day nearly 6,300 people contract HIV—nearly 262 every hour;
(c) in Australia in 2012 there were 25,000 people living with HIV and 1253 new diagnoses of HIV infection—a 10 per cent increase from previous years;
(d) in 2012, 1.6 million people died from AIDS-related illnesses;
(e) in some communities HIV rates are as high as 40 per cent;
(f) since the beginning of the epidemic in the 1980s, more than 75 million people have been infected with HIV and nearly 36 million have died of AIDS-related illnesses;
(g) there are now outstanding antiviral treatments available to people living with HIV; and
(h) although a lot of work has been done and many medical advances have been made, there is no cure and no vaccine, so a lot of research and work still needs to be done before we see the end of HIV;
(3) acknowledges that:
   (a) in July 2014, Melbourne will host the 20th International AIDS Conference (AIDS 2014);
   (b) the conference will bring together 14,000 delegates from around 200 countries, which will be
       the largest medical conference ever held in Australia; and
   (c) the conference will be chaired by Nobel Laureate, Professor Francoise Barre-Sinoussi, and
       Professor Sharon Lewin; and

(4) calls on the Parliament to:
   (a) continue Australia’s strong commitment to an enduring effective partnership between
       government, scientists and the community to meet the needs of people living with HIV;
   (b) continue Australia’s strong commitment to medical health and research; and
   (c) foster and cultivate Australia’s medical health and research community and researchers to
       ensure we stay at the forefront of all aspects of treatment, care and research in HIV. (Order of
       the day will be removed from the Notice Paper unless re-accorded priority on any of the next
       8 sitting Mondays including 9 December 2013.)

4 LUNG CANCER: Resumption of debate (from 2 December 2013) on the motion of Ms Rishworth—That
this House:
   (1) notes that November is Lung Cancer Awareness Month;
   (2) acknowledges that more than 9,100 Australians are diagnosed with lung cancer every year;
   (3) recognises that lung cancer claims the lives of more Australians than any other cancer with only
       14 out of 100 Australians surviving five years beyond their initial diagnosis; and
   (4) calls on Australian and state and territory governments to work together to improve the survival rates
       of Australians diagnosed with lung cancer by encouraging early detection and providing access to
       high quality health care treatment and support. (Order of the day will be removed from the Notice
       Paper unless re-accorded priority on any of the next 8 sitting Mondays including 9 December 2013.)

5 POSTCODES: Resumption of debate (from 18 November 2013) on the motion of Mrs Prentice—That this
House:
   (1) notes that Australia Post is responsible for and has sole discretion over introducing, retiring or
       changing postcodes;
   (2) recognises that:
       (a) residents in more than 50 localities from Amberley, Benarkin to Karana Downs and Vernor
           share the postcode 4306, suburbs which in some instances are more than 130 kilometres apart;
       (b) these localities fall within the four divisions of Ryan, Maranoa, Wright and Blair;
       (c) the shared postcode is having a detrimental impact on mail delivery services, postal delivery
           costs and insurance premiums for people living in these areas; and
       (d) communities within the 4306 postcode have previously petitioned the Government on this issue
           and to date have had their request rejected; and
   (3) calls on Australia Post to review the allocation of unique postcodes for localities which currently
       share a postcode with a geographically separate locality. (Order of the day will be removed from
       the Notice Paper unless re-accorded priority on any of the next 7 sitting Mondays including 9 December
       2013.)

6 GST ON MOVEABLE HOMES: Resumption of debate (from 18 November 2013) on the motion of Ms Hall—That
this House:
   (1) notes that the:
       (a) Australian Taxation Office (ATO) has released a draft ruling which will impact residents of
           moveable homes in low-cost living estates;
       (b) moveable home industry is the primary provider of affordable accommodation for over 100,000
           Australians, the majority of whom are pensioners;
       (c) ATO ruling would see residents in moveable home parks who own their own dwelling on a
           rented site being subject to paying 10 per cent Goods and Services Tax (GST); and
       (d) added cost of GST will cause financial hardship to many residents in these estates; and
(2) calls on the Government to ensure these residents do not have to pay GST on their site rental. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 7 sitting Mondays including 9 December 2013.*)

(b) that the 50th anniversary of the first screening of Doctor Who in Australia will take place on the 12 January 2015;

(c) the many connections between Doctor Who and Australia including (but not limited to):

(i) the very first Doctor Who story, ‘An Unearthly Child’, written by Australian scriptwriter Anthony Coburn;

(ii) the score for the signature Doctor Who theme tune, written by Australian composer Ron Grainer;

(iii) the incidental music in the series throughout most of the 1960s and 1970s, written by Australian composer Dudley Simpson;

(iv) Australian actress Janet Fielding, playing an Australian character Tegan Jovanka in the series (alongside the Doctor as portrayed by Peter Davison);

(d) the fact that the Australian Broadcasting Corporation (ABC) has been the main broadcaster for Doctor Who in Australia; and

(2) request that:

(a) in celebration of the 50th anniversary of the first screening of Doctor Who in Australia, the British Broadcasting Corporation (BBC) consider filming the 2015 series of the television show in Australia; and

(b) the ABC, Screen Australia and the various state-based film funding bodies consider offering finance to entice the BBC to film the 2015 series of Doctor Who in Australia.
