†1 DR MCVEIGH: To move—That this House:
(1) recognises that the number of drownings in Australia increased from 267 deaths in 2014-15 to 280 in 2015-16 as stated in the Royal Life Saving’s National Drowning Report (September 2016), which shows:
   (a) a quarter of all drownings occurred in inland waterways such as rivers, creeks and dams;
   (b) almost one fifth of all deaths occurred in people age 25 to 35 years old;
   (c) 86 per cent of all drowning deaths were males; and
   (d) there was a 30 per cent decrease in deaths of people age 0 to 4 years old;
(2) acknowledges that every incidence of drowning has a wider impact including family, rescuers and communities;
(3) recognises that the Government released the Australian Water Safety Strategy in April 2016, which aims to reduce drowning deaths by 50 per cent by 2020;
(4) acknowledges that the Government is partnering with the peak water safety bodies such as Royal Life Saving (RLS), Surf Life Saving (SLS) and AUSTSWIM as well as Australian Water Safety Council Members and federal, state, territory and local governments, to work to prevent drowning;
(5) recognises that the Government is providing funding $3.6 million in 2016-17 through the National Recreation Safety Program work towards the target of reducing drowning deaths; and
(6) congratulates RLS, SLS and other community groups for their work in educating people on the potential dangers of all our beaches and waterways.

(Notice given 11 October 2016. Time allowed—50 minutes.)

†2 MS HUSAR: To move—That this House:
(1) notes that:
   (a) the Government is short changing Australian pensioners;
   (b) despite interest rates falling from 2.25 per cent in February 2015 to 1.50 per cent today, the Government has failed to adjust deeming rates for Australian pensioners;
   (c) currently a single pensioner’s savings are deemed at 1.75 per cent on the first $49,200 and any amount over that is deemed at 3.25 per cent;
   (d) deeming rates are supposed to reflect returns across a range of investment choices available in the market, but the Government is failing to act by lowering deeming rates; and
   (e) Australian part-pensioners are doing it tough in a low interest rate environment and pensioners are crying out for some relief; and
(2) calls on the Prime Minister to immediately reduce deeming rates in line with falling interest rates, so that pensioners’ assets are deemed fairly and Australian pensioners finally get some relief.

(Notice given 18 October 2016. Time allowed—30 minutes.)

†3 MS RISHWORTH: To move—That this House:
(1) notes that:
   (a) 11 November is Remembrance Day;
   (b) on the 11th hour of the 11th day of the 11th month Australians observe one minute’s silence in memory of those who died or suffered in all wars and armed conflicts;

      (a) the right of all Australians to enjoy equal rights and be treated with equal respect regardless of race, colour, creed or origin;
      (b) maintaining an immigration policy wholly non-discriminatory on the grounds of race, colour, creed or origin;

(Notice given 30 August 2016. Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays including 7 November 2016.)

2 MRS ELLIOT: To move—That this House notes that:
   (1) families in regional and rural Australia rely on penalty rates;
   (2) the take home pay of families in regional and rural Australia would be severely impacted if penalty rates were cut;
   (3) cutting penalty rates in regional and rural Australia would hurt workers such as nurses and health care workers, retail and hospitality workers, police, firefighters, ambulance officers, cleaners, services sector employees and tourism and transport industry employees;
   (4) members and candidates of the Liberal Party of Australia and the National Party continue to call for cuts to penalty rates on top of their continuous pressuring of the Fair Work Commission to reduce penalty rates in its current penalty rates case; and
   (5) cutting penalty rates in regional and rural areas would also have a devastating flow-on impact for regional economies.

(Notice given 1 September 2016. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays including 7 November 2016.)
3 **MS L. M. CHESTERS:** To move—That this House:

(1) notes that:
   (a) in June 2014, the Fair Work Ombudsman (FWO) commenced an inquiry into Woolworths’ procurement of trolley collection services, because the FWO had not seen Woolworths take steps to address non-compliance amongst its trolley collecting contractors;
   (b) by examining 130 of Woolworths’ supermarket sites across Australia, the inquiry found that 79 per cent of sites visited had indications of some form of non-compliance with workplace laws; and
   (c) the inquiry found incidences of workers being paid rates as low as $10 an hour;

(2) acknowledges:
   (a) trolley collection is a low skill and labour intensive enterprise, attracting large numbers of vulnerable workers; and
   (b) under section 500 of the *Fair Work Act 2009*, employers are obligated to provide effective governance of the supply chain through which they engage workers;

(3) condemns the Government’s inaction to tackle the issue of exploitation in the labour-hire industry; and

(4) calls on the Government to adopt Labor’s policies to (a) increase fines for employers who break workplace laws and exploit workers, and (b) licence the labour hire industry.

*(Notice given Monday 12 September 2016. Notice will be removed from the Notice Paper unless called on on any of the next 6 sitting Mondays including 7 November 2016.)*

4 **MS C. F. KING:** To move—That this House:

   (a) creation of an independent National Redress Agency; and
   (b) provision of counselling and financial redress with costs met by the institutions responsible for the perpetrators of the abuse; and

(2) recommends that the Government consult extensively on further details of a National Redress Scheme to ensure that it fully meets the ongoing and complex needs of survivors and their families.

*(Notice given 15 September 2016. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays including 7 November 2016.)*

5 **MR PERRETT:** To move—That this House:

(1) recognises that:
   (a) prior to the passage of the *Parliamentary Privileges Act 1987* the Houses of the Australian Parliament had the power to expel a Senator or Member of the House of Representatives;
   (b) the expulsion of a Member of this House is the most drastic of sanctions;
   (c) on 11 November 1920, the then Member for Kalgoorlie, Mr Hugh Mahon, was expelled from this House; and
   (d) Mr Mahon is the only Member to have ever been expelled from this House;

(2) acknowledges that Mr Mahon was expelled:
   (a) by a motion brought on hastily and with limited time for debate;
   (b) by a vote of the House on party lines; and
   (c) without the due process and procedural fairness that such an important issue deserves; and

(3) recognises that:
   (a) it was unjust on the limited evidence for the institution to which Mr Mahon had been democratically elected to reverse the decision of his constituents; and
   (b) the expulsion of Mr Mahon was a misuse of the power then invested in the House.

*(Notice given 10 October 2016. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays including 7 November 2016.)*
MR GILES: To move—that this House:

(1) condemns the Australian Government for:
   (a) denying Victoria its fair share of infrastructure funding, to the point that Victoria now only receives 9 per cent of the federal infrastructure budget;
   (b) consistently failing to fund, or delaying support for, Victorian road and rail infrastructure projects; and
   (c) applying unreasonable funding conditions to Victoria while fully cooperating with the New South Wales (NSW) Government; and

(2) calls on the Australian Government to:
   (a) provide Victoria with an equitable share of infrastructure funding given Victoria is Australia’s fastest growing state and home to 25 per cent of Australia’s population;
   (b) treat Victorian infrastructure projects fairly and on the same basis as NSW projects; and
   (c) commit to working with the Victorian Government to support infrastructure projects that are in the interests of the Victorian community and economy rather than the Coalition’s narrow political interests.

(Notice given 13 October 2016. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays including 7 November 2016.)

MR WILKIE: To move—that this House:

(1) acknowledges the:
   (a) high level of concern in the community, especially in recent years, about the generosity and leniency of the current parliamentary entitlements framework; and
   (b) fact that current parliamentary entitlements are out of line with community expectations;

(2) notes that the Government-commissioned report on the review of an independent parliamentary entitlements system (Mr John Conde AO and Mr David Tune AO PSM, An Independent Parliamentary Entitlements System), was delivered to the Government in February 2016, but so far there has been little progress on implementing its recommendations;

(3) acknowledges that there is a need for a much deeper overhaul of the parliamentary entitlements system, including:
   (a) an audit of all Members’ and Senators’ travel claims during this and the previous Parliament;
   (b) real-time online reporting of entitlement expenses and the requirement for more detail of the substantive reason for the expenditure; and
   (c) provisions to refer misuse which forms a pattern of misbehaviour to the Australian Federal Police; and

(4) calls on the Government to commit to meaningful reform of the parliamentary entitlements framework that would put it in line with community expectations.

(Notice given 13 October 2016. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays including 7 November 2016.)

(Notice given 18 October 2016. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays including 7 November 2016.)

MS VAMVAKINOU: To move—that this House:

(1) acknowledges that:
   (a) 500 to 700 Palestinian children are arrested, detained and prosecuted in the Israeli military court system each year;
   (b) Human Rights Watch reported in April that arrests of Palestinian children by Israeli forces had doubled in the preceding six months;
(c) Defence for Children International research, based on 429 affidavits from Palestinian children, indicates that 97 per cent of children had no parent or legal counsel available during interrogation and 75 per cent endured some form of physical violence following arrest;

(d) the United States State Department’s 2014 human rights report on Israel states that military courts have more than a 99 per cent conviction rate for Palestinian defendants;

(e) UNICEF has reported that ill-treatment in the Israeli military detention system remains widespread, systematic, and institutionalised throughout the process; and

(f) Australia raised concerns with Israel about the treatment of Palestinian minors in 2011 and 2014, however there has been little improvement concerning the treatment of Palestinian children by Israeli forces; and

(2) calls on the Australian Government to raise concerns with the Israeli Government about the treatment of Palestinian children.

(Notice given 18 October 2016. Notice will be removed from the Notice Paper unless called on on any of the next 8 sitting Mondays including 7 November 2016.)

10 MS L. M. CHESTERS: To move—That this House:

(1) notes:

(a) the Fair Work Ombudsman’s (FWO’s) report Inquiry into the wages and conditions of people working under the 417 Working Holiday Visa Program (October 2016) found that more than one third of 417 visa holders claimed that they were paid less than the minimum wage;

(b) the inquiry found that the 417 visa program created an environment where unreasonable and unlawful requirements are being imposed on visa holders by unscrupulous businesses;

(c) the FWO, Ms Natalie James, said in a statement that the inquiry confirms that overseas workers seeking regional work to satisfy the 88 day requirement and obtain a second-year 417 visa are particularly vulnerable to exploitation;

(2) acknowledges:

(a) that in 2015-16, 76 per cent of litigations filed by the FWO involved visa holder workers;

(b) that the inquiry found instances of employers engaging in sophisticated labour supply chains involving sham contracting, where workers were in fact employees, to exploit vulnerable 417 visa holders to gain a competitive or commercial advantage through the reduction of labour costs; and

(c) findings from the inquiry found that the 417 visa program has been used to source an unpaid workforce, thus facilitating an unfair commercial advantage to these employers, distorting the market place and placing pressure on the domestic employment market;

(3) expresses its disappointment in the Government for announcing yet another taskforce, the Migrant Workers Taskforce, to look at the issue of worker exploitation, while there is still no legislation that has been presented to the Parliament that will change the law to protect exploited workers; and

(4) calls on the Government to join the Opposition in preventing workers from being exploited by supporting its legislation before the Parliament, the Fair Work Amendment (Protecting Australian Workers) Bill 2016.

(2) notes that:
   (a) prior to 1987, Vietnam Veterans Day was referred to as Long Tan Day;
   (b) 2016 marks the 50th anniversary of the Battle of Long Tan, a battle that took place on 18 August 1966; and

†2 MR KEOGH: To move—That this House:

(1) recognises the parlous state of Western Australia’s finances, brought on by the economic mismanagement of the Western Australian Government and a record low share of GST revenue, which was foreseeable;

(2) acknowledges the importance of Commonwealth infrastructure funding and state infrastructure spending for creating employment and driving economic growth;
(3) notes that $1.54 billion of Commonwealth infrastructure funding has been allocated to the Perth Freight Link (PFL) and Oakajee Port over the forward estimates, in circumstances where:

(b) the Turnbull Government has kept a $339 million allocation to Oakajee Port in the federal budget for more than two years after the project was abandoned;

(4) notes that although Western Australia takes up one third of Australia’s land mass and holds 10.4 per cent of the population, the loss of Commonwealth funding for the PFL and Oakajee would cause Western Australia’s share of the Commonwealth infrastructure budget to drop to just 9.5 per cent; and

(5) calls on the Australian Government to redirect funding allocated to the PFL to the infrastructure projects that Western Australians actually wants and needs—the Armadale/North Lake Road Bridge, an Outer Harbour and METRONET.

(c) the Australian Red Cross and the AFP consider that part of the increase in identifications of forced marriage is due to better community awareness and access to help; and

(d) it is crucial that community awareness continues to be raised so that young people know their right to refuse to be forced into marriage;
(3) notes that:
(a) the Australian Catholic Religious Against Trafficking in Humans produced curriculum materials for the Australian forced marriage Pilot Program for Australian schools;
(b) in every school that participated in the Pilot Program, girls at risk of forced marriage were identified;

(b) the misleading labelling of palm oil in Australian products, often labelled as vegetable oil, with 50 per cent of products sold in supermarkets containing palm oil;
(2) further notes that palm oil has high levels of saturated fat with over 50 per cent of its composition being saturated fat, which is very dangerous to consumers with heart or other conditions;
(3) recognises the damage to the environment and endangered animals as a result of mass deforestation in Malaysia and Indonesia which has led to the exponential threat of extinction to animals such as orangutans, tigers, elephants and rhinoceroses, all of which are already critically endangered; and
