Family Assistance Legislation Amendment (Jobs for Families Child Care Package) Bill 2016

(Requests for amendments to be moved by Senator Hanson-Young, on behalf of the Australian Greens, in committee of the whole)

Statement pursuant to the order of
the Senate of 26 June 2000

Amendment (1) is framed as a request because it potentially increases expenditure under the standing appropriation in section 233 of the A New Tax System (Family Assistance) (Administration) Act 1999. The amendments will increase the maximum number of hours for which child care subsidy can be paid in relation to a low income result individual and thus may have the effect of increasing total expenditure under the standing appropriation.

Statement by the Clerk of the Senate pursuant
to the order of the Senate of 26 June 2000

The Senate has long followed the practice that it should treat as requests amendments which would result in increased expenditure under a standing appropriation. If the effect of amendment (1) is to increase expenditure under the standing appropriation contained in section 233 of the A New Tax System (Family Assistance) (Administration) Act 1999, then it is in accordance with the precedents of the Senate that the amendment be moved as a request.
