Schedule 1 Amendments relating to ASIO

(b) a Judge.

(2) The Minister must not appoint a person unless:
(a) the person has, by writing, consented to being appointed; and
(b) the consent is in force.

(3) The regulations may declare that persons in a specified class are issuing authorities.

(4) The regulations may specify a class of persons partly by reference to the facts that the persons have consented to being issuing authorities and their consents are in force.

34B Prescribed authorities

(1) The Minister may, by writing, appoint as a prescribed authority a person who has served as a judge in one or more superior courts for a period of 5 years and no longer holds a commission as a judge of a superior court.

(2) If the Minister is of the view that there is an insufficient number of people to act as a prescribed authority under subsection (1), the Minister may, by writing, appoint as a prescribed authority a person who is currently serving as a judge in a State or Territory Supreme Court or District Court (or an equivalent) and has done so for a period of at least 5 years.

(3) If the Minister is of the view that there are insufficient persons available under subsections (1) and (2), the Minister may, by writing, appoint as a prescribed authority a person who holds an appointment to the Administrative Appeals Tribunal as President or Deputy President and who is enrolled as a legal practitioner of a federal court or of the Supreme Court of a State or Territory and has been enrolled for at least 5 years.

(7) If a person whose name is included in the list requests the Minister to have his or her name removed from the list, the Minister must cause the list to be amended to give effect to the request.

(8) The Minister may, on his or her own initiative, cause the name of a person to be removed from the list.

(9) A person appointed as a prescribed authority in accordance with this section shall be paid such remuneration as is determined by the Remuneration Tribunal, but until that remuneration is so determined, he or she shall be paid such remuneration as is prescribed.

Subdivision B—Questioning, detention etc.

34C Requesting warrants

(1) The Director-General may seek the Minister’s consent to request the issue of a warrant under section 34D in relation to a person.

(1A) To avoid doubt, this section operates in relation to a request for the issue of a warrant under section 34D in relation to a person, even if such a request has previously been made in relation to the person.

(2) In seeking the Minister’s consent, the Director-General must give the Minister a draft request that includes:
   (a) a draft of the warrant to be requested; and
   (b) a statement of the facts and other grounds on which the Director-General considers it necessary that the warrant should be issued; and
   (c) a statement of the particulars and outcomes of all previous requests for the issue of a warrant under section 34D relating to the person.

(3) The Minister may, by writing, consent to the making of the request, but only if the Minister is satisfied:
   (a) that there are reasonable grounds for believing that issuing the warrant to be requested will substantially assist the collection of intelligence that is important in relation to a terrorism offence; and
(b) that relying on other methods of collecting that intelligence would be ineffective; and

(ba) that all of the acts (the adopting acts) described in subsection (3A) in relation to a written statement of procedures to be followed in the exercise of authority under warrants issued under section 34D have been done; and

(c) if the warrant to be requested is to authorise the person to be taken into custody immediately, brought before a prescribed authority immediately for questioning and detained—that there are reasonable grounds for believing that, if the person is not immediately taken into custody and detained, the person:

(i) may alert a person involved in a terrorism offence that the offence is being investigated; or

(ii) may not appear before the prescribed authority; or

(iii) may destroy, damage or alter a record or thing the person may be requested in accordance with the warrant to produce; and

(d) if the person has been detained under this Division—that the warrant to be requested would not authorise the person to be detained under this Division for a period that would result in the person being detained under this Division for a continuous period of more than 168 hours.

The Minister may make his or her consent subject to changes being made to the draft request.

(3A) The adopting acts in relation to a written statement of procedures to be followed in the exercise of authority under warrants issued under section 34D are as follows:

(a) consultation of the following persons by the Director-General about making such a statement:

(i) the Inspector-General of Intelligence and Security;

(ii) the Commissioner of Police appointed under the Australian Federal Police Act 1979;

(b) making of the statement by the Director-General after that consultation;

(c) approval of the statement by the Minister;

(d) presentation of the statement to each House of the Parliament;
(e) briefing (in writing or orally) the Parliamentary Joint Committee on ASIO, ASIS and DSD (whether before or after presentation of the statement to each House of the Parliament).

(3B) In consenting to the making of a request to issue a warrant authorising the person to be taken into custody immediately, brought before a prescribed authority immediately for questioning and detained, the Minister must ensure that the warrant to be requested is to permit the person to contact an approved lawyer at any time when the person is in custody or detention under this Division in connection with the warrant.

(3C) However, subsection (3B) does not apply if the Minister is satisfied on reasonable grounds that:

(a) the person is 18 or older; and
(b) it is likely that a terrorism offence is being committed, or is about to be committed, and may have serious consequences; and
(c) it is appropriate in all the circumstances that the person not be permitted to contact a legal adviser; and
(d) the warrant to be requested either:
   (i) is not to authorise, in conjunction with one or more other warrants issued under section 34D earlier, detention of the person under this Division for a continuous period of more than 48 hours; or
   (ii) is to permit the person to contact an approved lawyer at any time when the person is in custody or detention under this Division in connection with the warrant after the end of such a continuous period or after a specified time that is before the end of such a continuous period.

(4) If the Minister has consented under subsection (3), the Director-General may request the warrant by giving an issuing authority:

(a) a request that is the same as the draft request except for the changes (if any) required by the Minister; and
(b) a copy of the Minister’s consent.

(5) The Director-General may request the warrant only by giving the material described in subsection (4) to an issuing authority who is a Judge or a member of a class specified by the regulations for the
purposes of section 34AB if the person could be detained for a
continuous period of more than 96 hours under this Division in
connection with the warrant requested and warrants issued earlier.

Note: Subsection (5) can apply only if, before the request is made, at least 2
warrants have been issued in relation to the person under this
Division.

34D Warrants for questioning etc.

(1) An issuing authority may issue a warrant under this section relating
to a person, but only if:
   (a) the Director-General has requested it in accordance with
       subsection 34C(4), and with subsection 34C(5) if relevant;
       and
   (b) the issuing authority is satisfied that there are reasonable
       grounds for believing that the warrant will substantially assist
       the collection of intelligence that is important in relation to a
       terrorism offence; and
   (c) the issuing authority is satisfied that there are reasonable
       grounds for believing that the warrant does not authorise the
       person to be detained under this Division for a period that
       would result in the person being detained under this Division
       for a continuous period of more than 168 hours.

(2) The warrant must, in the same terms as the draft warrant given to
the issuing authority as part of the request, either:
   (a) require a specified person to appear before a prescribed
       authority for questioning under the warrant immediately after
       the person is notified of the issue of the warrant, or at a time
       specified in the warrant; or
   (b) do both of the following:
       (i) authorise a specified person to be taken into custody
           immediately by a police officer, brought before a
           prescribed authority immediately for questioning under
           the warrant and detained under arrangements made by a
           police officer for a specified period of not more than 48
           hours starting when the person is brought before the
           authority;
       (ii) permit the person to contact identified persons at
           specified times when the person is in custody or
           detention authorised by the warrant.
(3) For the purposes of subparagraph (2)(b)(i), the warrant may specify the end of the period for which the person is to be detained by reference to the opinion of a person exercising authority under the warrant that the Organisation does not have any further request described in paragraph (5)(a) to make of the person. This does not limit the ways in which the warrant may specify the end of the period.

(4) The warrant may identify someone whom the person is permitted to contact by reference to the fact that he or she is an approved lawyer or has a particular legal or familial relationship with the person. This does not limit the ways in which the warrant may identify persons whom the person is permitted to contact.

Note 1: The warrant may identify persons by reference to a class. See subsection 46(2) of the Acts Interpretation Act 1901.

Note 2: Section 34F permits the person to contact the Inspector-General of Intelligence and Security and the Ombudsman while the person is in custody or detention, so the warrant must identify them.

(5) Also, the warrant must, in the same terms as the draft warrant given to the issuing authority as part of the request:

(a) authorise the Organisation, subject to any restrictions or conditions, to question the person before a prescribed authority by requesting the person to do either or both of the following:

(i) give information that is or may be relevant to intelligence that is important in relation to a terrorism offence;

(ii) produce records or things that are or may be relevant to intelligence that is important in relation to a terrorism offence; and

(b) authorise the Organisation, subject to any restrictions or conditions, to make copies and/or transcripts of a record produced by the person before a prescribed authority in response to a request in accordance with the warrant.

(6) Also, the warrant must:

(a) be signed by the issuing authority who issues it; and

(b) specify the period during which the warrant is to be in force, which must not be more than 28 days.
Schedule 1 Amendments relating to ASIO

34DA Person taken into custody under warrant to be immediately brought before prescribed authority

If the person is taken into custody by a police officer exercising authority under the warrant, the officer must make arrangements for the person to be immediately brought before a prescribed authority for questioning.

34E Prescribed authority must explain warrant

(1) When the person first appears before a prescribed authority for questioning under the warrant, the prescribed authority must inform the person of the following:
   (a) whether the warrant authorises detention of the person by a police officer and, if it does, the period for which the warrant authorises detention of the person;
   (b) what the warrant authorises the Organisation to do;
   (c) the effect of section 34G (including the fact that the section creates offences);
   (d) the period for which the warrant is in force;
   (e) the person’s right to make a complaint orally or in writing:
      (i) to the Inspector-General of Intelligence and Security under the Inspector-General of Intelligence and Security Act 1986 in relation to the Organisation; or
      (ii) to the Ombudsman under the Complaints (Australian Federal Police) Act 1981 in relation to the Australian Federal Police;
   (f) the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant;
   (g) whether there is any limit on the person contacting others and, if the warrant permits the person to contact identified persons at specified times when the person is in custody or detention authorised by the warrant, who the identified persons are and what the specified times are.

(2) To avoid doubt, subsection (1) does not apply to a prescribed authority if the person has previously appeared before another prescribed authority for questioning under the warrant.
(2A) The prescribed authority before whom the person appears for questioning must inform the person of the role of the prescribed authority, and the reason for the presence of each other person who is present at any time during the questioning. However:

(a) the prescribed authority must not name any person except with the consent of the person to be named; and

(b) the obligation to inform the person being questioned about a particular person’s reason for presence need only be complied with once (even if that particular person subsequently returns to the questioning).

(3) At least once in every 24-hour period during which questioning of the person under the warrant occurs, the prescribed authority before whom the person appears for questioning must inform the person of the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant.

34F Detention of persons

Directions relating to detention or further appearance

(1) At any time when a person is before a prescribed authority for questioning under a warrant, the authority may give any of the following directions:

(a) a direction to detain the person;

(b) a direction for the further detention of the person;

(c) a direction about any arrangements for the person’s detention;

(d) a direction permitting the person to contact an identified person (including someone identified by reference to the fact that he or she is an approved lawyer or has a particular legal or familial relationship with the person) or any person;

(e) a direction for the person’s further appearance before the prescribed authority for questioning under the warrant;

(f) a direction that the person be released from detention.

(2) The prescribed authority is only to give a direction that:

(a) is consistent with the warrant; or

(b) has been approved in writing by the Minister.
However, the prescribed authority may give a direction that is not
covered by paragraph (a) or (b) if he or she has been informed
under section 34HA of a concern of the Inspector-General of
Intelligence and Security and is satisfied that giving the direction is
necessary to address the concern satisfactorily.

(3) The prescribed authority is only to give a direction described in
paragraph (1)(a) or (b) if he or she is satisfied that there are
reasonable grounds for believing that, if the person is not detained,
the person:

(a) may alert a person involved in a terrorism offence that the
offence is being investigated; or
(b) may not continue to appear, or may not appear again, before
a prescribed authority; or
(c) may destroy, damage or alter a record or thing the person has
been requested, or may be requested, in accordance with the
warrant, to produce.

(4) A direction under subsection (1) must not result in:

(a) a person being detained at a time more than 48 hours after the
person first appears before a prescribed authority for
questioning under the warrant; or
(aa) a person being detained for a continuous period of more than
168 hours starting when the person first appeared before a
prescribed authority for questioning under another warrant
that was issued under section 34D earlier; or
(b) a person’s detention being arranged by a person who is not a
police officer.

Giving effect to directions

(5) Directions given by a prescribed authority have effect, and may be
implemented or enforced, according to their terms.

(6) A police officer may take a person into custody and bring him or
her before a prescribed authority for questioning under a warrant
issued under section 34D if the person fails to appear before a
prescribed authority as required by the warrant or a direction given
by a prescribed authority under this section.

(ii) section 22 of the Complaints (Australian Federal Police) Act 1981; and

(a) to give information; or
(b) to produce a record or thing;
in accordance with a request made of the person in accordance
with the warrant, on the ground that the information, or production
of the record or thing, might tend to incriminate the person or make
the person liable to a penalty.

(9) However, the following are not admissible in evidence against the
person in criminal proceedings other than proceedings for an
offence against this section:
(a) anything said by the person, while before a prescribed
authority for questioning under a warrant, in response to a

for the person to produce a record or thing.

34H Interpreter provided at request of prescribed authority

(1) This section applies if the prescribed authority before whom a
person first appears for questioning under a warrant believes on
reasonable grounds that the person is unable, because of inadequate
knowledge of the English language or a physical disability, to
communicate with reasonable fluency in that language.

(2) A person exercising authority under the warrant must arrange for
the presence of an interpreter.

(3) The prescribed authority must defer informing under section 34E

questioning under the warrant until the interpreter is present.

34HAA Interpreter provided at request of person being questioned

authority under a warrant requests the presence of an interpreter.
(2) A person exercising authority under the warrant must arrange for the presence of an interpreter, unless the prescribed authority believes on reasonable grounds that the person who made the request has an adequate knowledge of the English language, or is physically able, to communicate with reasonable fluency in that language.

(3) If questioning under the warrant has not commenced and the prescribed authority determines that an interpreter is to be present:
   (a) the prescribed authority must defer informing under section 34E the person to be questioned under the warrant until the interpreter is present; and
   (b) a person exercising authority under the warrant must defer the questioning until the interpreter is present.
