Schedule 2  

Introduction  

Part 1

1 *modifications* includes additions, omissions and substitutions.

2 *transition time* means the commencement of this Schedule.

3 (2) Subject to subitem (1), an expression used in this Schedule that is also used in the ASADA Act has the same meaning in this Schedule as it has in that Act.
Part 2—Assets, liabilities and legal proceedings

2 Vesting of assets of ASDA

(1) This item applies to the assets of the ASDA immediately before the transition time.

(2) At the transition time, the assets cease to be assets of the ASDA and become assets of the Commonwealth without any conveyance, transfer or assignment. The Commonwealth becomes the successor in law in relation to the assets.

3 Vesting of liabilities of ASDA

(1) This item applies to the liabilities of the ASDA immediately before the transition time.

(2) At the transition time, the liabilities cease to be liabilities of the ASDA and become liabilities of the Commonwealth without any conveyance, transfer or assignment. The Commonwealth becomes the successor in law in relation to the liabilities.

4 Certificates relating to vesting of assets other than land

(1) This item applies if:

   (a) any asset other than land vests in the Commonwealth under this Part; and

   (b) there is lodged with an assets official a certificate that:

      (i) is signed by the Minister; and

      (ii) identifies the asset; and

      (iii) states that the asset has become vested in the Commonwealth under this Part.

(2) The assets official may:

   (a) deal with, and give effect to, the certificate as if it were a proper and appropriate instrument for transactions in relation to assets of that kind; and

   (b) make such entries in the register as are necessary having regard to the effect of this Part.

(3) A certificate under paragraph (1)(b) is not a legislative instrument.
5 Substitution of Commonwealth as a party to certain pending proceedings

(1) If:

(a) any proceedings to which the ASDA was a party were pending in any court or tribunal immediately before the transition time; and

(b) the proceedings were, or were related to:

(i) proceedings taken by the ASDA in the exercise of a right that is vested in the Commonwealth by item 2; or

(ii) proceedings taken against the ASDA in respect of a liability that is vested in the Commonwealth by item 3;

the Commonwealth is substituted for the ASDA, from the transition time, as a party to the proceedings.

(2) To avoid doubt, if:

(a) any proceedings to which the ASDA was a party were pending in any court or tribunal immediately before the transition time; and

(b) the proceedings were not, and were not related to:

(i) proceedings taken by the ASDA in the exercise of a right that is vested in the Commonwealth by item 2; or

(ii) proceedings taken against the ASDA in respect of a liability that is vested in the Commonwealth by item 3;

Note: After the transition time, the ASADA will be a party to the proceedings. This is because the body corporate that is the ASDA continues in existence as the ASADA after the transition time (see section 20 of the ASADA Act and section 25B of the Acts Interpretation Act 1901).

(3) The regulations may determine that one of subitems (1) and (2), rather than the other of those subitems, applies in relation to a particular proceeding or a class of proceedings.
Part 3—References to ASDA etc.

6 References in certain instruments to ASDA

(1) If:
   (a) an instrument was in force immediately before the transition time; and
   (b) the instrument is an instrument covered by one or more of the following subparagraphs:
      (i) an instrument that was made by the ASDA; or
      (ii) an instrument to which the ASDA was a party; or
      (iii) an instrument that was given to, or in favour of, the ASDA; or
      (iv) an instrument under which any right or liability accrues or may accrue to the ASDA; or
      (v) any other instrument in which a reference is made to the ASDA; and
   (c) a reference in the instrument to the ASDA is a reference to the ASDA as an entity with a particular power or capacity (for example, as party to a contract or the holder of real or personal property); and
   (d) the ASADA does not have that power or capacity;

the reference has effect after the transition time as if it were a reference to the Commonwealth.

(2) To avoid doubt, if:
   (a) an instrument was in force immediately before the transition time; and
   (b) the instrument is an instrument covered by one or more of the following subparagraphs:
      (i) an instrument that was made by the ASDA; or
      (ii) an instrument to which the ASDA was a party; or
      (iii) an instrument that was given to, or in favour of, the ASDA; or
      (iv) an instrument under which any right or liability accrues or may accrue to the ASDA; or
      (v) any other instrument in which a reference is made to the ASDA; and
Transitional provisions  
Schedule 2  
References to ASDA etc.  Part 3

(c) a reference in the instrument to the ASDA is a reference to the ASDA as an entity with a particular power or capacity; and

(d) the ASADA has that power or capacity;

Note: After the transition time, the reference to the ASDA will be construed as a reference to the ASADA. This is because the body corporate that is the ASDA continues in existence as the ASADA after the transition time (see section 20 of the ASADA Act and section 25B of the Acts Interpretation Act 1901).

(3) The regulations may determine that one of subitems (1) and (2), rather than the other of those subitems, applies in relation to a particular reference or class of references.

7 Provision of services by the ASADA under contract

(1) This item applies if:

(a) under a contract entered into by the ASDA before the transition time, the ASDA was under an obligation to provide:

(ii) safety checking services (within the meaning of the ASDA Act); or

(iii) other services (including information technology services) relating to sports drug and safety matters; and

(b) apart from this item, this Schedule would have the result that the Commonwealth would be obliged to provide those services.

(2) The functions of the ASADA include the provision of those services under the contract on behalf of the Commonwealth.

(3) The ASADA Act has effect as if the services provided by the ASADA were provided under paragraph 21(1)(k) of that Act.

(4) Subitems (2) and (3) do not apply to a service if the contract specified that the service was to be provided by the ASDMAC (within the meaning of the ASDA Act) on behalf of the ASDA.

8 Provision of services by the ASDMAC under contract
Part 4—Appointments of office-holders

10 Termination of ASDA appointments

(4) For the purposes of section 55 of the ASADA Act, the person’s notional instrument is taken to specify the period:
