574A General power to give directions—responsible Commonwealth Minister

Definition

(1) In this section:

title means:

(a) a petroleum exploration permit; or
(b) a petroleum retention lease; or
(c) a petroleum production licence; or
(d) an infrastructure licence; or
(e) a pipeline licence; or
(f) a petroleum special prospecting authority; or
(g) a petroleum access authority.

Direction to registered holder

(2) The responsible Commonwealth Minister may, by written notice given to the registered holder of a title, give the registered holder a direction as to any matter in relation to which regulations may be made, so long as that matter is a matter:

(a) that relates to resource management; or
(b) that relates to resource security; or
(c) in relation to which regulations may be made for the purposes of section 698 (which deals with data management).

Note 1: Section 782 is the main provision setting out matters in relation to which regulations may be made.

Note 2: For enforcement, see section 576.

Extended application of direction

(3) A direction given under this section to a registered holder applies to the registered holder and may also be expressed to apply to:

(i) employees or agents of, or persons acting on behalf of,  
the registered holder;

(ii) persons performing work or services, whether directly  
or indirectly, for the registered holder; or

(b) any person (other than the registered holder or a person to  
whom the direction applies in accordance with paragraph (a))

(i) in the offshore area for any reason touching, concerning,  
arising out of, or connected with, exploring the seabed  
or subsoil of the offshore area for petroleum or

(ii) in, on, above, below or in the vicinity of a vessel,  
aircraft, structure or installation, or equipment or other  
property, that is in the offshore area for a reason of that

to each person included in the specified class mentioned in  
paragraph (3)(a) or to each person who is in the offshore area as  
mentioned in paragraph (3)(b), as the case may be.

Note: For notification requirements, see section 575.

(8) To avoid doubt, subsection (7) applies to an instrument, whether issued or made in Australia or outside Australia.

(9) A direction under this section may prohibit the doing of an act or thing:

(11) Subsection (10) does not apply if the publication would infringe copyright.
