10 Section 32

Before “An”, insert “(1)”.

11 At the end of section 32

Add:

(2) If:

(a) under section 74, the employer qualifies for an amnesty in relation to part of the employer’s superannuation guarantee shortfall for the quarter; and

(b) that shortfall includes one or more individual superannuation guarantee shortfalls for employees (newly included employees) for the quarter that would not have been so included if the information in the disclosure that gave rise to the amnesty were not taken into account; and

(c) any assessment of the employer’s superannuation guarantee shortfall for the quarter that was made before the employer
qualified for the amnesty did not take into account an individual superannuation guarantee shortfall for newly included employees for the quarter;
in working out under subsection (1) the employer’s administration component for the quarter, the employer is taken not to have an individual superannuation guarantee shortfall for any of the newly included employees for the quarter.

(3) Despite subsection (1), an employer’s administration component for a quarter is nil if:
(a) under section 74, the employer qualifies for an amnesty in relation to the whole of the employer’s superannuation guarantee shortfall for the quarter; and
(b) an assessment of the employer’s superannuation guarantee shortfall for the quarter has not been made (or taken to have been made) under Part 4 before the employer qualified for the amnesty.

12 After section 59
Insert:

60 Amnesty from liability to pay additional superannuation guarantee charge

(1) If:
(a) under section 74, an employer qualifies for an amnesty in relation to part of the employer’s superannuation guarantee shortfall for a quarter; and
(b) any assessment made under section 62, before the employer qualified for the amnesty, of the additional superannuation guarantee charge payable by the employer for the quarter did not take into account the extent of the increase in the shortfall as a result of the disclosure of information that gave rise to the amnesty;
in working out under section 59 the employer’s liability to pay additional superannuation guarantee charge, the amount of the superannuation guarantee charge payable by the employer for the quarter is reduced by the extent to which the employer qualifies for the amnesty for the quarter.
(2) Despite section 59, an employer’s liability to pay additional
superannuation guarantee charge under this Part for a quarter is nil
if:
   (a) under section 74, the employer qualifies for an amnesty in
       relation to the whole of the employer’s superannuation
       guarantee shortfall for the quarter; and
   (b) the Commissioner has not, before the employer qualified for
       the amnesty, made an assessment under section 62 of the
       additional superannuation guarantee charge payable by an
       employer under this Part for the quarter.

13 At the end of section 62

Add:

   (4) If:

       (a) an employer is liable under section 59 to additional
           superannuation guarantee charge for a quarter that started on
           or before 1 January 2018; and
       (b) there is particular information that is relevant to the amount
           of the employer’s superannuation guarantee shortfall for the
           quarter; and
       (c) since the start of the amnesty period, either:
           (i) the employer has not disclosed that information to the
               Commissioner; or
           (ii) the employer has disclosed that information to the
               Commissioner, but only after the Commissioner
               informed the employer that the Commissioner was
               examining, or intended to examine, the employer’s
               compliance with an obligation to pay the
               superannuation guarantee charge for the quarter; and
       (d) by taking that information into account, the employer’s
           superannuation guarantee shortfall for the quarter exceeds
           what it would be if that information were not taken into
           account;

   to the extent that the additional superannuation guarantee charge
   relates to that excess, the Commissioner’s power under
   subsection (3) of this section to remit the additional superannuation
   guarantee charge is limited to remitting no more than half of the
   charge.
(5) However, subsection (4) does not apply if the Commissioner is satisfied that there were exceptional circumstances that prevented the employer from:

(a) disclosing that information to the Commissioner; or

(b) disclosing that information to the Commissioner before the Commissioner informed the employer as mentioned in subparagraph (4)(c)(ii);

as the case requires.

14 After section 73

Insert:

74 Amnesty in relation to historic amounts of superannuation guarantee shortfall

Qualifying for the amnesty

(1) An employer qualifies for an amnesty for the employer’s superannuation guarantee shortfall for a quarter if:

(a) during the period (the amnesty period) provided by subsection (3), the employer discloses to the Commissioner, in the approved form, information that:

(i) relates to the amount of the employer’s superannuation guarantee shortfall for the quarter; and

(ii) was not disclosed to the Commissioner before the amnesty period; and

(b) the amnesty period started after the end of the period of 28 days after the end of the quarter; and

(c) the Commissioner has not, at any time before the disclosure, informed the employer that the Commissioner is examining, or intends to examine, the employer’s compliance with an obligation to pay the superannuation guarantee charge for the quarter.

(2) However, if the employer would have a superannuation guarantee shortfall for the quarter even if the information in the disclosure were not taken into account, the employer qualifies for an amnesty for the shortfall only to the extent of the increase in the shortfall as a result of taking the information into account.
(3) The amnesty period is the period that:
   (a) started on 24 May 2018; and
   (b) ends 6 months after the day the Treasury Laws Amendment
       (Recovering Unpaid Superannuation) Act 2019 receives the
       Royal Assent.

Ceasing to qualify for the amnesty

(4) The employer ceases to qualify, and is taken never to have
qualified, for the amnesty for the employer’s superannuation
guarantee shortfall for the quarter if the Commissioner notifies the
employer under subsection (5).

(5) The Commissioner may notify the employer in writing that the
employer has ceased to qualify, and is taken never to have
qualified, for that amnesty if:
   (a) the employer:
       (i) has not, on or before the day on which superannuation
           guarantee charge on the employer’s superannuation
           guarantee shortfall for the quarter became payable, paid
           that superannuation guarantee charge; and
       (ii) has not, at any time, entered into an arrangement with
           the Commissioner that includes the payment of that
           superannuation guarantee charge; or
   (b) the employer has entered into such an arrangement, but has
       failed to comply with it.

(6) For the purposes of subparagraph (5)(a)(i), a payment under this
Act of an amount equal to the amount of the superannuation
guarantee charge mentioned in that subparagraph is taken to be a
payment of that charge whether or not the Commissioner applies
the payment to satisfy the employer’s liability to pay that charge.
