10 the registered news business.

11 (7) To avoid doubt, the ACMA may revoke the endorsement of a

2 (b) the news source does not form part of another news business
3 that is a registered news business; and
4 (c) the corporation would continue to meet the requirement in
5 52L (connection between applicant corporation and news
6 business) in relation to the news business if the news source
7 were added to the news business; and
8 (d) the news business would continue to meet all of the
9 following requirements if the news source were added to the
10 news business:
11 (i) the requirement in subsection 52N(1) (the content test);
12 (ii) the requirement in subsection 52O(1) (the Australian
13 audience test);
14 (iii) the requirement in subsection 52P(1) (the professional

31 other requirements—comply with those requirements.

32 (4) The bargaining party must give a copy of the request to the panel
33 on the same day that it gives the request to the other bargaining
34 party.

- 1 (5) If a bargaining party makes a request under subsection (1), the
2 other bargaining party must ensure that:
3 (a) the request is complied with no later than 10 business days
4 after:
5 (i) unless subparagraph (ii) applies—the request was given
6 to the other bargaining party; or
7 (ii) if an application is made under subsection 52ZU(1)—
8 the panel makes a ruling under subsection 52ZU(3); and
9 (b) the information requested is given in terms that are readily
10 comprehensible; and
11 (c) if the other bargaining party is the responsible digital
12 platform corporation and there are other designated digital
13 platform services of the responsible digital platform
14 corporation—the information is given in terms that relate
15 specifically to the designated digital platform service (and
16 not in terms that relate to that service and those other
17 designated digital platform services in aggregate); and
18 (d) if regulations made for the purposes of this paragraph specify
19 other requirements for that information—those requirements
20 are satisfied.

21 **52ZU Information request by bargaining party—challenges by**
22 **other bargaining party**

- 23 (1) The other bargaining party may apply to the panel, in writing, for a
24 ruling that it is *not* reasonable for the bargaining party to make the
25 request for the purposes of this Division, in relation to all or a
26 specified part of the information requested.
- 27 (2) An application under subsection (1) can be made no later than 10
28 business days after the bargaining party gives the request to the
29 other bargaining party.
- 30 (3) If an application is made under subsection (1), the panel must make
31 a ruling in relation to it no later than 10 business days after it is
32 made.
- 33 (4) The ruling may relate to all or a specified part of the information
34 requested.

1 (5) In making the ruling, the panel must consider the matters
2 mentioned in subsection 52ZZ(1).

3 (6) Nothing in section 52ZT requires the giving of information to the
4 extent (if any) that the panel makes a ruling under subsection (3)
5 that it was *not* reasonable for the bargaining party to make the
6 request for the purposes of this Division, in relation to all or a
7 specified part of the information requested.

8 **52ZV Information request by bargaining party—miscellaneous**
9 **rules**

10 (1) Nothing in section 52ZT requires the giving of information the
11 disclosure of which would reveal a trade secret.

12 (2) Nothing in section 52ZT requires or authorises the giving of
13 information that is personal information (within the meaning of the
14 *Privacy Act 1988*).

15 (3) If a bargaining party gives information to the other bargaining
16 party in order to comply with subsection 52ZT(5), the other
17 bargaining party must ensure that the information is not used for a
18 purpose other than a purpose in relation to arbitration under this
19 Division.

20 (4) Subsection (5) applies if:

21 (a) there is a reference to a number of business days in a
22 provision in section 52ZT or 52ZU; and

23 (b) regulations made for the purposes of this paragraph specify a
24 different number of business days in respect of that
25 provision.

26 (5) Treat that reference in the provision as being to the number of
27 business days specified in the regulations as mentioned in
28 paragraph (4)(b).

29 **52ZW Agreed early termination of arbitration**

30 (1) This section applies if:

31 (a) the bargaining parties agree that the arbitration should
32 terminate; and

- 1 (b) the panel did not make a determination in accordance with
2 subsection 52ZX(1) before the agreement was made; and
3 (c) no information was given by a bargaining party in order to
4 comply with a request made under subsection 52ZT(1) before
5 the agreement was made.
- 6 (2) The parties must notify the Chair of the agreement as soon as
7 practicable after the day on which the agreement is made.
- 8 (3) The arbitration terminates in accordance with that agreement, but
9 no earlier than the day on which parties notify the Chair of the
10 agreement in accordance with subsection (2).
- 11 (4) However, if the parties fail to comply with subsection (2):
12 (a) subsection (3) does not apply; and
13 (b) the agreement does not affect the validity of the arbitration or
14 any aspect of the arbitration.

15 **52ZX Final offer arbitration**

- 16 (1) The panel is to make a determination under this subsection about
17 the terms for resolving the remuneration issue that:
18 (a) is in accordance with subsections (7), (8) and (9) (final offer
19 arbitration); and
20 (b) sets out an amount (the *remuneration amount*) for
21 remunerating the registered news business for the making
22 available of the registered news business' covered news
23 content by the designated digital platform service for 2 years.
- 24 (2) Each of the bargaining parties must:
25 (a) submit to the panel a final offer for what the remuneration
26 amount should be; and
27 (b) give a copy of the final offer to the Commission on the same
28 day that it submits the final offer to the panel.
- 29 (3) If a bargaining party gives a copy of the final offer to the
30 Commission, the Commission must give a copy of the final offer to
31 the other bargaining party as soon as practicable.
- 32 (4) A final offer:
33 (a) cannot be submitted later than the latest of the following:
-

- 1 (i) the end of the period of 10 business days after the day
2 on which the arbitration starts;
- 3 (ii) if a bargaining party makes a request under
4 subsection 52ZT(1) (information requests)—the end of
5 the period of 10 business days after the latest day on
6 which the other bargaining party may comply with the
7 request in accordance with subsection 52ZT(5);
- 8 (iii) if a bargaining party makes an application under
9 subsection 52ZU(1) (challenges to information
10 requests)—the end of the period of 10 business days
11 after the day on which the panel makes a ruling in
12 relation to the application under subsection 52ZU(3);
- 13 (iv) if regulations made for the purposes of this
14 subparagraph specify a different period—the end of that
15 period;
- 16 (v) if the panel considers that exceptional circumstances
17 justify a different period—the end of that period; and
- 18 (b) cannot be more than 30 pages in length.
- 19 (5) An offer that does not comply with subsection (4) is not a final
20 offer for the purposes of this Division.
- 21 (6) A final offer, once submitted, cannot be withdrawn or amended.
- 22 (7) The panel must accept one of the final offers unless the panel
23 considers that each final offer is not in the public interest because it
24 is highly likely to result in serious detriment to:
- 25 (a) the provision of covered news content in Australia; or
26 (b) Australian consumers.
- 27 (8) If the panel does not accept one of those final offers, it must
28 ascertain the remuneration amount by adjusting the most
29 reasonable of those offers in a manner that results in that offer
30 being in the public interest.
- 31 (9) If one bargaining party fails to submit to the panel a final offer for
32 what the remuneration amount should be, in accordance with
33 subsection (4), the panel must:
- 34 (a) accept the final offer submitted by the other bargaining party,
35 in accordance with subsection (7); or

- 1 (b) ascertain the remuneration amount by adjusting the final
2 offer submitted by the other party, in accordance with
3 subsection (8).

4 **52ZY Final offer arbitration—termination of arbitration if no final**
5 **offers**

6 If both bargaining parties fail to submit to the panel a final offer for
7 what the remuneration amount should be, the arbitration terminates
8 on the day after the last day on which such a final offer could have
9 been submitted in accordance with subsection 52ZX(4).

10 **52ZZ Matters to consider in arbitration, etc.**

- 11 (1) In making a determination under subsection 52ZX(1) (including in
12 complying with subsections 52ZX(7), (8) and (9)), the panel must
13 consider the following matters:
14 (a) the benefit (whether monetary or otherwise) of the registered
15 news business' covered news content to the designated
16 digital platform service;
17 (b) the benefit (whether monetary or otherwise) to the registered
18 news business of the designated digital platform service
19 making available the registered news business' covered news
20 content;
21 (c) the cost to the registered news business of producing covered
22 news content;
23 (d) whether a particular remuneration amount would place an
24 undue burden on the commercial interests of the designated
25 digital platform service.
- 26 (2) In considering the matters set out in subsection (1), the panel must
27 consider the bargaining power imbalance between Australian news
28 businesses and the designated digital platform corporation.

29 **52ZZA Other requirements for arbitration determination**

- 30 (1) The panel must make the determination no later than 35 business
31 days (or, if the regulations specify a different period, the end of
32 that period) after the latest of the following days:

- 1 (a) the last day on which a final offer may be submitted in
2 accordance with subsection 52ZX(4);
- 3 (b) the last day on which a submission may be given by a
4 bargaining party in accordance with subsection 52ZZB(1);
- 5 (c) the last day on which a submission may be given by the
6 Commission in accordance with subsection 52ZZC(1);
- 7 (d) the last day on which a submission may be given by a
8 bargaining party in accordance with subsection 52ZZC(3).
- 9 (2) If the Chair is not the sole member of the panel:
- 10 (a) the panel must endeavour to make the determination by
11 unanimous decision of the members of the panel; and
- 12 (b) where a unanimous decision is not possible, the panel must
13 make the determination by majority decision of the members
14 of the panel.
- 15 (3) The panel must, as soon as practicable, give written reasons for
16 making the determination to the bargaining parties and the
17 Commission.
- 18 (4) Those written reasons must contain the information (if any)
19 specified in regulations made for the purposes of this subsection.

20 **52ZZB Submissions of bargaining parties**

- 21 (1) Each bargaining party may give to the panel a submission about
22 the final offer of the other bargaining party, no later than 5
23 business days (or, if the regulations specify a different period, the
24 end of that period) after the panel has received both final offers (in
25 accordance with paragraph 52ZX(2)(a)).
- 26 (2) The submission can only deal with issues that are dealt with in any
27 material accompanying either of the final offers.
- 28 (3) The submission cannot be more than 20 pages in length.
- 29 (4) If a bargaining party gives the panel a submission under
30 subsection (1):
- 31 (a) the bargaining party must give a copy of the submission to
32 the Commission on the same day that it gives the submission
33 to the panel; and

- 1 (b) if the Commission is given a copy of the submission under
2 paragraph (a), the Commission must give a copy of the
3 submission to the other bargaining party as soon as
4 practicable.

5 **52ZZC Role of Commission**

- 6 (1) The Commission may give to the panel a submission about both
7 final offers, no later than 10 business days (or, if the regulations
8 specify a different period, the end of that period) after the
9 Commission has received both final offers (in accordance with
10 paragraph 52ZX(2)(b)).
- 11 (2) If the Commission gives the panel a submission under
12 subsection (1), it must give the bargaining parties a copy of the
13 submission on the same day that it gives the submission to the
14 panel.
- 15 (3) Each bargaining party may give to the panel a submission about
16 the Commission's submission, no later than 5 business days after
17 the bargaining party has received the Commission's submission.
- 18 (4) The bargaining party's submission cannot be more than 20 pages in
19 length.
- 20 (5) If a bargaining party gives the panel a submission under
21 subsection (3):
- 22 (a) the bargaining party must give a copy of the submission to
23 the Commission on the same day that it gives the submission
24 to the panel; and
- 25 (b) if the Commission is given a copy of the submission under
26 paragraph (a), the Commission must give a copy of the
27 submission to the other bargaining party as soon as
28 practicable.

29 **52ZZD Guidelines about conduct of arbitration**

- 30 (1) The Commission may, in writing, make guidelines relating to the
31 conduct of an arbitration under this Division.

- 1 (2) However, the Commission cannot include in the guidelines a
2 provision that relates to any of the following matters unless the
3 Minister has approved the provision, in writing:
4 (a) how a panel makes a ruling under subsection 52ZU(3)
5 (information requests);
6 (b) the content of final offers made by bargaining parties in
7 accordance with subsection 52ZX(2);
8 (c) the content of submissions given by bargaining parties in
9 accordance with subsection 52ZZB(1);
10 (d) how a panel makes a determination in accordance with
11 subsection 52ZX(1).
- 12 (3) A panel may take the guidelines into account in conducting an
13 arbitration under this Division.
- 14 (4) However:
15 (a) the panel need not take the guidelines into account in
16 conducting the arbitration; and
17 (b) a failure by the panel to take the guidelines into account in
18 conducting the arbitration does not affect the validity of the
19 arbitration or any aspect of the arbitration.
- 20 (5) The Commission must publish the guidelines on its website as soon
21 as practicable.
- 22 (6) General information made available by the Commission in
23 accordance with subsection 28(1) must not relate to the conduct of
24 an arbitration under this Division.
- 25 (7) Guidelines made under subsection (1) are not a legislative
26 instrument.

27 **Subdivision D—Effect of arbitral determination**

28 **52ZZE Bargaining parties must comply with the determination**

- 29 The bargaining parties must comply with a determination made by
30 the panel in accordance with subsection 52ZX(1).

1 **Division 8—Enforcement etc.**

2 **52ZZF Record generating and keeping**

- 3 (1) A responsible digital platform corporation for a designated digital
4 platform service must comply with requirements specified in
5 regulations made for the purposes of subsection (2).
- 6 (2) The regulations may specify requirements for the generation and
7 keeping of records relating to the operation of this Part.
- 8 (3) Division 5 of Part IVB applies in relation to subsection (1) in the
9 same way in which it applies in relation to an applicable industry
10 code (within the meaning of that Part).
- 11 (4) This section does not limit section 155 (which is about the general
12 information-gathering powers of the Commission).

13 **52ZZG Infringement notices—Division 4 of this Part**

- 14 (1) Subject to subsection (2), Division 2A of Part IVB applies in
15 relation to an alleged contravention of a provision of Division 4 of
16 this Part in the same way in which it applies in relation to an
17 alleged contravention of a civil penalty provision of an industry
18 code (within the meaning of that Part).
- 19 (2) For the purposes of applying Division 2A of Part IVB in
20 accordance with subsection (1), treat the reference in
21 paragraph 51ACF(a) to 50 penalty units as being a reference to 600
22 penalty units.

23 **52ZZH Joint and several liability for pecuniary liabilities**

- 24 (1) Subsection (2) applies if:
25 (a) a responsible digital platform corporation for a designated
26 digital platform service is liable to a pecuniary penalty in
27 accordance with section 76 because it contravened a
28 provision of this Part; and
29 (b) the responsible digital platform corporation is not the
30 service's designated digital platform corporation.

- 1 (2) The responsible digital platform corporation and the service's
2 designated digital platform corporation are jointly and severally
3 liable for the pecuniary penalty.

4 **Division 9—Agreements between digital platform**
5 **corporations and registered news business**
6 **corporations**

7 **5ZZI Simplified outline of this Division**

8 Responsible digital platform corporations may make standard
9 offers relating to remuneration for registered news business
10 corporations. If an offer is accepted by a registered news
11 business corporation, rules under this Part relating to
12 bargaining and arbitration do not apply to the parties to the
13 contract.

14 Responsible digital platform corporations (and related bodies
15 corporate) may also make agreements outside this Part to
16 disapply rules under this Part relating to bargaining,
17 arbitration and other matters.

18 Responsible digital platform corporations (and related bodies
19 corporate) may also make offers relating to such matters under
20 this Part.

21 **5ZZJ Standard offers—content**

- 22 (1) An offer by a responsible digital platform corporation for a
23 designated digital platform corporation complies with this
24 subsection if:
- 25 (a) the responsible digital platform corporation makes the offer
26 to each registered news business corporation covered by
27 subsection (2) (a *covered RNBC*); and
- 28 (b) the offer provides for the matters in subsection (3)
29 (acceptance procedure); and
- 30 (c) the offer provides that a binding agreement resulting from it
31 will have:

- 1 (i) the features mentioned in subsection (4) (formal
2 matters); and
3 (ii) the features mentioned in subsection (5) (remuneration).
- 4 (2) A registered news business corporation is covered by this
5 subsection unless:
6 (a) regulations made for the purposes of this paragraph specify a
7 kind or kinds of registered news business corporation; and
8 (b) the registered news business corporation is not of that kind or
9 one of those kinds.
- 10 (3) For the purposes of paragraph (1)(b), the matters are as follows:
11 (a) a covered RNBC may accept the offer before the end of the
12 offer period;
13 (b) subject to paragraphs (c) and (d), such an acceptance
14 becomes final, and a resulting agreement between the
15 responsible digital platform corporation and the covered
16 RNBC becomes binding, at the end of the offer period;
17 (c) the covered RNBC may revoke such an acceptance before the
18 end of the offer period;
19 (d) the responsible digital platform corporation may revoke the
20 offer before the end of the offer period.
- 21 (4) For the purposes of subparagraph (1)(c)(i), the features of the
22 agreement are as follows:
23 (a) the agreement provides that it covers specified corporations
24 (the *covered corporations*); and
25 (b) each covered corporation is:
26 (i) the responsible digital platform corporation; or
27 (ii) a related body corporate of the responsible digital
28 platform corporation; or
29 (iii) the registered news business corporation; or
30 (iv) a related body corporate of the registered news business
31 corporation; and
32 (c) the agreement specifies a 2 year period (the *covered period*)
33 during which it is in force; and
34 (d) the agreement specifies one or more designated digital
35 platform services or other services (the *covered services*) of
36 the designated digital platform corporation; and
-

- 1 (e) the agreement expressly provides that some or all provisions
2 mentioned in subsection 52ZZK(4) (the *specified provisions*)
3 are not to apply to the extent that they would impose an
4 obligation on one covered corporation in respect of another
5 covered corporation in relation to the covered services.
- 6 (5) For the purposes of subparagraph (1)(c)(ii), the features of the
7 agreement are as follows:
- 8 (a) the agreement specifies that the responsible digital platform
9 corporation will ensure the payment of remuneration to the
10 covered RNBC (or a related body corporate of the covered
11 RNBC) for the making available of the registered news
12 business' covered news content by one or more of the
13 covered services, in respect of the covered period; and
14 (b) if regulations made for the purposes of this paragraph specify
15 other features—those features.
- 16 (6) Regulations made for the purposes of paragraph (5)(b) may specify
17 features relating to the amount of the remuneration mentioned in
18 paragraph (5)(a) (including features that require the determination
19 of that remuneration to be based on specified factors).
- 20 (7) Subsection (6) does not limit the scope of regulations that may be
21 made for the purposes of paragraph (5)(b).
- 22 (8) The *offer period* is the period that:
- 23 (a) starts when the responsible digital platform corporation gives
24 a copy of the offer to a covered RNBC; and
25 (b) ends:
- 26 (i) unless subparagraph (ii) applies—60 days after the
27 period starts; or
28 (ii) if regulations made for the purposes of this
29 subparagraph specify a different day—on that day.
- 30 (9) To avoid doubt, this section does not prevent the making of other
31 kinds of offers or agreements.

32 **52ZZK Standard offers—consequences of agreement**

- 33 (1) Subsection (2) applies if:
-

- 1 (a) a responsible digital platform corporation for a designated
2 digital platform corporation makes an offer to make a
3 binding agreement; and
4 (b) the offer complies with subsection 52ZZJ(1); and
5 (c) the responsible digital platform corporation has given a copy
6 of the offer to all registered news business corporations
7 covered by subsection 52ZZJ(2); and
8 (d) a registered news business corporation for a registered news
9 business has accepted the offer, and the resulting agreement
10 has become binding on the responsible digital platform
11 corporation and the registered news business corporation;
12 and
13 (e) the parties to the agreement notify the Commission, in
14 writing, that the agreement has become binding.
- 15 (2) The specified provisions do not apply to the extent that
16 (disregarding this subsection) they impose an obligation on one
17 covered corporation in respect of another covered corporation in
18 relation to the covered services that are designated digital platform
19 services.
- 20 (3) However, subsection (2) does not apply if, before the agreement
21 became binding, a notification has been made for the purposes of
22 subsection 52ZE(1) to the responsible digital platform corporation,
23 in relation to the registered news business.
- 24 (4) The provisions are as follows:
25 (a) Division 6 (bargaining);
26 (b) Division 7 (arbitration about remuneration issue).

27 **52ZZL Contracting out of general requirements, bargaining and**
28 **arbitration**

- 29 (1) Subsection (2) applies if:
30 (a) a responsible digital platform corporation for a designated
31 digital platform corporation (or a related body corporate of
32 such a responsible digital platform corporation) makes a
33 binding agreement with another corporation (the *news*
34 *business corporation*); and
-

- 1 (b) the agreement provides that it covers specified corporations
2 (the *covered corporations*); and
- 3 (c) each covered corporation is:
4 (i) the responsible digital platform corporation; or
5 (ii) a related body corporate of the responsible digital
6 platform corporation; or
7 (iii) the news business corporation; or
8 (iv) a related body corporate of the news business
9 corporation; and
- 10 (d) the agreement specifies the period (the *covered period*)
11 during which it is in force; and
- 12 (e) the agreement specifies one or more designated digital
13 platform services or other services (the *covered services*) of
14 the designated digital platform corporation; and
- 15 (f) the agreement expressly provides that some or all provisions
16 mentioned in subsection (4) (the *specified provisions*) are not
17 to apply to the extent that they would impose an obligation
18 on one covered corporation in respect of another covered
19 corporation in relation to the covered services; and
- 20 (g) the parties to the agreement notify the Commission, in
21 writing, that the agreement has been made.
- 22 (2) The specified provisions do not apply to the extent that
23 (disregarding this subsection) they impose an obligation on one
24 covered corporation in respect of another covered corporation in
25 relation to the covered services that are designated digital platform
26 services.
- 27 (3) However, subsection (2) does not apply if:
28 (a) an arbitration under Division 7 started in relation to any of
29 the covered services in respect of the payment of
30 remuneration, for a period starting or ending in the covered
31 period, to the news business corporation (or a related body
32 corporate of the news business corporation); and
33 (b) before the agreement was made:
34 (i) the panel made a determination in accordance with
35 subsection 52ZX(1); or
36 (ii) a bargaining party gave information in order to comply
37 with a request made under subsection 52ZT(1).
-

- 1 (4) The provisions are as follows:
2 (a) Division 4 (general requirements);
3 (b) Division 6 (bargaining);
4 (c) Division 7 (arbitration about remuneration issue).

5 **52ZZM Offers relating to general requirements, bargaining and**
6 **arbitration not prohibited**

- 7 (1) To avoid doubt, nothing in this Part prevents a responsible digital
8 platform corporation for a designated digital platform corporation
9 (or a related body corporate of such a responsible digital platform
10 corporation) from making an offer, to corporations covered by
11 subsection (2) in general, to make an agreement of a kind described
12 in paragraphs 52ZZL(1)(a) to (f).
- 13 (2) This subsection covers a corporation that, either by itself or
14 together with other corporations, operates or controls a news
15 business.
- 16 (3) To avoid doubt:
17 (a) the offer may provide that it is not subject to further
18 negotiations; and
19 (b) this section does not prevent the making of other kinds of
20 offer.

26 *Services Act 1992*, and any other provisions of that Act to the
27 extent that they relate to either of those Parts, apply as if:
28 (a) a reference in Part 13 of the *Broadcasting Services Act 1992*
29 to the ACMA's broadcasting, content and datacasting
30 functions included a reference to the powers and functions of
31 the ACMA under Part IVBA of this Act; and

1 (b) the references in paragraphs 168(2)(b) and 187(2)(b) of that

9 relation to this Part in accordance with subsection (1):

11 that section as if it were a civil penalty provision for the
12 purposes of that Act; and
- 13 (b) disregard subsections 202(1) and (2) of that Act; and
- 14 (c) disregard subsections 205F(4) and (5) of that Act; and
- 15 (d) treat the maximum penalty for a contravention of a civil
16 penalty provision of Part 13 or 14B of that Act (including a
17 contravention of a provision that is treated as a civil penalty
18 provision because of this section) as being 600 penalty units.
