Short Digest of Bill

Purpose

To amend the Canberra College of Advanced Education Act 1967 to provide for the limited reintroduction of tuition fees at the College.

Background

This Bill is a consequence of the Review of Commonwealth Functions announced on 30 April 1981. It contains similar provisions to those in the States Grants (Tertiary Education Assistance) Bill 1981 and the Australian National University Amendment Bill 1981. These will enable the reintroduction of tuition fees for certain categories of second-degree students at tertiary institutions.

Main Provisions

Clause 4 introduces a new section 24A which will enable the Minister to make determinations in respect of the imposition of tuition fees.

New sub-section 24A(1) will limit the fees to be determined by the Minister to a maximum of $1,000 p.a. for each student.

First degree students, students who were undertaking a course before 1 January 1982, overseas students already required to pay the Overseas Students Charge and sponsored overseas students will be exempted from the tuition fees under the provisions of new sub-section 24A(2).
New sub-section 24A(6) will oblige the College Council to collect the tuition fees.
