TELECOMMUNICATIONS AMENDMENT BILL 1979

Date Introduced: 8 March 1979
House: Senate
Presented by: Sen the Hon Peter Durack, Attorney-General

Short Digest of Bill

Purpose/Background

To repeal s.86 of the Telecommunications Act 1975 which provides for the interception of communications over the telecommunications system other than by telephone. This subject will now be regulated under the Telecommunications (Interception) Bill 1979; a background to this latter Bill can be found in the Digest to that Bill.

Main Provision

Clause 3 repeals s.86 of the Telecommunications Act 1975.
