Date Introduced: 25 October 1979
House: House of Representatives
Presented by: The Honourable D.J. Killen, M.P., Minister for Defence

Purpose

To amend the Air Force Act 1923 so that the Minister's power to make determinations about remuneration and related matters, as provided for in the Defence Amendment Bill 1979, applies to the Air Force.

Provisions

Clause 3 amends section 3 of the Act so that proposed new Part IIIA of the Defence Act 1903 - "Remuneration, Allowances and Other benefits" - applies to the Air Force.

Other provisions make amendments so that the Air Force Act accords with the other proposed amendments to the Defence Act concerning determinations.
