HOUSE OF REPRESENTATIVES REASONS FOR DISAGREEING TO THE SENATE AMENDMENT

Senate amendment number (1)

This amendment would amend the Paid Parental Leave (Consequential Amendments) Bill 2010 as a consequence of the amendments proposed to be made to the Paid Parental Leave Bill 2010. Those amendments would remove the provisions relating to payment of parental leave pay to a person by the person’s employer.

This proposed amendment is opposed for the same reasons as have been given in relation to the proposed amendments to the Paid Parental Leave Bill 2010.

Accordingly, the House of Representatives does not accept this amendment.
