### Second Reading

Debate resumed from 12 May, on motion by **Mr Hockey**:

That the bill be now read a second time.

upon which **Mr Kelvin Thomson** moved by way of amendment:

That all words after "That" be omitted with a view to substituting the following words:

"whilst not declining to give the Bill a second reading, the House condemns the Government for the financial uncertainty and hardship it has caused *Do It Yourself* superannuation fund trustees and fund members, many of which are operated by small businesses, in taking nearly 12 months since it announced its changes to introduce and debate this legislation."
