Mr ABBOTT (Warringah—Leader of the House) (7.49 am)—As the House would know, this message goes back to the Senate to be dealt with. I suspect that the Senate might send a further message back to us on the ASIO bill, which we will need to deal with. We will also need to deal with a message from the Senate on the Australians Working Together package, so I fear that we still have a couple of hours work ahead of us.
