Mr SNOWDON (Lingiari) (11.23 am)—Minister, I want to get a bit of clarification on particularly proposed sections 12(3A)(b) and 12(5A)(b). They go to the question of who is allowed to drink in a national park. In your summing up contribution to the second reading debate you implied that grey nomads and other individual tourists who were in national parks participating in legitimate recreational and tourism activities would be able to consume alcohol. That is not the way I read the legislation.
