Responder
Question No.

Mr ALBANESE (Grayndler) (15:11): Mr Speaker, I wish to make a personal explanation.

The SPEAKER: Does the member for Grayndler claim to have been misrepresented?

Mr ALBANESE: I do.

The SPEAKER: The member for Grayndler may proceed.

Mr ALBANESE: When the Prime Minister added to his answer, he sought to characterise a question that I did not ask. What I asked, very simply, was: would his model of value capture apply to existing properties? That is what I asked and the *Hansard* records that.
