Speaker	Cherry, Sen John	Question No.	

Senator CHERRY (Queensland) (5.54 pm)—Having listened to the Minister for Family and Community Services with respect to the fact that the government is agreeing to all of the amendments on sheet 2791, I seek leave to withdraw Democrat amendment (3), as it is very similar to amendments on sheet 2791. I also seek leave to have amendment (5) put separately. I wish to have Democrat amendment (5) voted on separately from the others as it is identical to opposition amendment (2).

Leave granted.

The TEMPORARY CHAIRMAN (**Senator Collins**)—The question is that Democrat amendments (2), (4), (6) and (7) be agreed to.

Question negatived.
