Speaker	Stott Despoja, Sen Natasha	Question No.	

Senator STOTT DESPOJA (South Australia) (12.53 pm)—I was conscious of that and I am happy to withdraw the amendment. I think the questions were still relevant; they were not necessarily specific to that amendment. In fact, I always get nervous when the minister says something I have asked is a good question and then I look to you, Minister, for a specific answer to my question. I am glad you acknowledge that forthwith is an interesting question, but I think there is an issue in relation to stipulation of material. Having said that, I seek leave to withdraw amendment (27) on sheet 4869.

Leave granted.
